# ESMO Faculty

ESMO has restructured and enlarged the 2009-2011 faculty now composed of 21 specialties and more than 300 experts:

	ESMO Faculty Group	Faculty Coordinator
1	Head and Neck Cancer	L. Licitra
2	Chest Tumors	E. Felip
3	Gastro-Intestinal Tumors	C.H. Koehne
4	Breast Cancer	F. André
5	Gynecologic Cancer	A. Poveda
6	Genitourinary Cancer	C. Sternberg
7	Sarcoma	P. Casali
8	Hematologic Malignancy	H. Schouten
9	Principles of Clinical Trials and Systemic Therapy	J.B. Vermorken
10	Basic Cancer Research	M.A Pierotti
11	Cancer Prevention	H.J. Senn
12	Elderly	M.S. Apro
13	Supportive Care	M.A. Dicato
14	Cancer Genetics	J. Mackay
15	Tumour Immunology	J. Wagstaff
16	CNS Tumors	R. Stupp
17	Palliative Care	S.J.P. Van Belle
18	CUP, Endocrine Tumors and others	K. Fizazi
19	Melanoma	S. Aamdal
20	Adolescents and young adults tumors	H. Kosmidis

# ESMO's meetings

- ESMO Congress alternating yearly with ESMO/ECCO Congress
  - ESMO Conferences
    - ESMO Symposia
  - ESMO Joint Meetings
  - ESMO Consensus meetings
- ESMO Supported, Labelled and Partnership Meetings

# 2009 ESMO Meetings

- ECCO 15<sup>o</sup>- 34th ESMO multidisciplinary Congress
- World GI Congress
- ESMO Educational Conference Lugano (ECCLU)  
*In collaboration with ESO*
- ESMO-ERS-ESTRO-ESTS joint meeting (head and neck)
- Pre-IMPAKT Training course program
- ESMO-BIG breast cancer conference
- ESMO Symposium on cancer and Nutrition
- ESMO Symposium on Cancer Biology for clinicians
- ESMO Symposium on Imaging in oncology
- ESMO Symposium on Combined modalities cancer therapy
- ESMO-ESTRO-EAU joint meeting (urological cancer)
- Consensus meeting on Head and neck
- Consensus meeting on Sarcoma and GIST
- 2 Partnership meetings: Asia Pacific MTTC (molecular targeted therapy of cancer) and TAT (tageted anticancer therapies)

Thank you!

# Abbreviations
