

ESMO 2018 INDUSTRY SATELLITE SYMPOSIUM

The Path to Precision Medicine—Accelerating Science and Evolving Oncology Treatment Paradigms

Friday, 19 October 2018 | 18:00–20:00

Hall B4—Room 19

Messe Munich

Munich, Germany

Meeting Chair

Marleen Kok, MD, PhD
Netherlands Cancer
Institute
Amsterdam, Netherlands

Dirk Jäger, MD
University Medical Center,
National Center for Tumor
Diseases, and German
Cancer Research Center
of Heidelberg
Heidelberg, Germany

George Coukos, MD, PhD
Ludwig Cancer Research
and University Hospitals
of Canton Vaud
Lausanne, Switzerland

Jason Luke, MD
University of Chicago
Chicago, United States

Welcome and Introductions

Marleen Kok

2018: State of the Science—Oncology

Marleen Kok

Cracking the Code: Deeper Understanding of the Tumor and Immune Biology Will Lay the Foundation for Tailored Therapeutic Interventions

Dirk Jäger

Building the Future: Scientifically Grounded, Hypothesis Driven, Clinically Tested, and Patient Focused

George Coukos

Precision Medicine: From Theory to Practice

Jason Luke

Question-and-Answer Session

Marleen Kok

This Industry-Sponsored Symposium Is Organized and Funded by Bristol-Myers Squibb.
