

Precision immuno-oncology: Driving patient selection and clinical care through biomarker testing

22 October 2018 | 18:30 – 20:00

Hall A1 – Room 15

Messe Munich

Munich, Germany

Meeting Chair

Frank Griesinger, MD, PhD
Pius-Hospital
University of Oldenburg-
European Medical School
Oldenburg, Germany

Manfred Dietel, MD
Institute of Pathology
University Hospital Charité, fmr
Berlin, Germany

Albrecht Stenzinger, MD
Heidelberg University Hospital
Heidelberg, Germany

Welcome and introductions

Frank Griesinger, MD, PhD

Biomarkers in immuno-oncology

Manfred Dietel, MD

Tumour mutational burden (TMB) as an emerging biomarker for immuno-oncology

Frank Griesinger, MD, PhD

The next generation of biomarkers in clinical practice: A primer for oncologists

Albrecht Stenzinger, MD

Question and answer session

Full Panel Discussion

Concluding remarks

Frank Griesinger, MD, PhD

This Industry-Sponsored Symposium Is Organized and Funded by Bristol-Myers Squibb.
