

Personalised Approaches IN CHOLANGIOCARCINOMA

Sunday 29 September 2019, 18:30–20:00

Tarragona Auditorium, Hall 7, Fira Gran Via, Barcelona, Spain

An educational event organised and sponsored by **Incyte Biosciences International**

Chair: Prof Eric Van Cutsem
(Belgium)

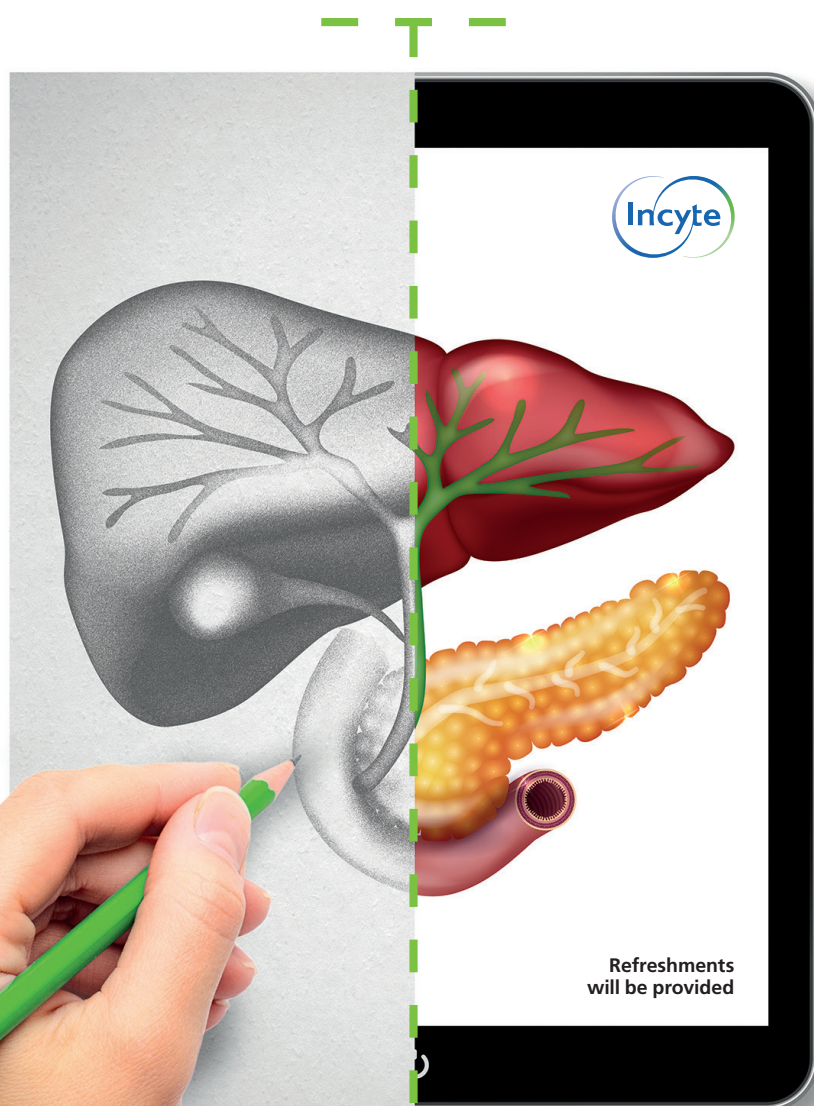

Chair: Dr Teresa Macarulla
(Spain)

Dr Angela Lamarca
(UK)

Dr Nicola Normanno
(Italy)

Agenda

18:30–18:35

Welcome and introduction

Chairs: Prof Eric Van Cutsem
and Dr Teresa Macarulla

18:35–18:55

Cholangiocarcinoma: Not a single disease

Dr Angela Lamarca

18:55–19:20

Cholangiocarcinoma treatment: What's new?

Prof Eric Van Cutsem

19:20–19:40

Cholangiocarcinoma molecular characterisation: Challenges and opportunities

Dr Nicola Normanno

19:40–19:50

Interactive case study discussion

Dr Teresa Macarulla

19:50–20:00

Q&A, summary and meeting close

Chairs: Prof Eric Van Cutsem
and Dr Teresa Macarulla
