

INSTRUCTIONS FOR PRESENTERS: INVITED SPEAKER

MAP congress Secretariat looks forward to seeing your presentation as invited Speaker and thanks you in advance for your cooperation in following these guidelines:

- Your presentation must be prepared in **PowerPoint 2010, 2013 or 2016 (MS Windows)** and provided on an **USB-removable drive**.
- Macintosh presentations (i.e. KeyNote) cannot be accommodated, unless saved as to a PC-formatted USB stick.
- Set the slide size to **“Widescreen 16:9”** and **landscape orientation**: Portrait orientation will not be displayed properly.
- Use high-contrast lettering, and not too much text per page (max. 10 lines or 15-20 words). Make sure that you use high-contrast colors for the best definition of your text. Please be aware that red letters or lines are usually not visible.
- As a general rule, you should not present more than 1 slide per minute. Visual material supports your lecture and should not be the transcription of it.
- You may include graphics and/or slide-show animation. If the presentation contains movies, they have to be coded by standard Windows codes. Remember to save your PPT or preferably PPTX show with your video attachment in the same folder and then copy the folder to the USB-removable drive including all elements.
- Include duplicate(s) if you intend to use a page more than once in the course of your presentation and insert the duplicate slide in the correct sequence of the presentation.
- To avoid any compatibility problems, please do not use special characters (i.e. ", Ö, Ø, ñ, ?, ®, ý, }, { etc.) and please do not use spaces to name your presentation or movie files.
- We recommend that you keep a copy of your presentation with you at the time of the presentation, should a problem occur. Furthermore, please have the presentation printed on paper, for reference during the lecture.
- A Congress PowerPoint template has been prepared. Should you choose to use it, please download it from the **Presenter Information section** on the MAP 2019 webpage on ESMO website.
