

INSTRUCTIONS FOR PRESENTERS: INVITED SPEAKERS

The MAP 2020 Virtual Congress organisers look forward to seeing your presentation in the virtual session and thank you in advance for your co-operation in following these guidelines:

- Your presentation must be prepared in **PowerPoint** 2010, 2013 or 2016 (MS Windows).
- Macintosh presentations (i.e. KeyNote) cannot be accommodated, unless saved as to a PC-formatted USB stick.
- Set the slide size to **“Widescreen 16:9”** and **landscape orientation**. Portrait orientation will not be displayed properly.
- Use high-contrast lettering, and not too much text per page (max. 10 lines or 15-20 words). Make sure that you use high-contrast colors for the best definition of your text. Please be aware that red letters or lines are usually not visible.
- As a general rule, you should not present more than 1 slide per minute. Visual material supports your lecture and should not be the transcription of it.
- You may include graphics and/or slide-show animation. If the presentation contains movies, they have to be coded by standard Windows codes. Remember to save your PPT or preferably PPTX show with your video attachment in the same folder and then copy the folder to the USB-removable drive including all elements.
- Include duplicate(s) if you intend to use a page more than once in the course of your presentation and insert the duplicate slide in the correct sequence of the presentation.
- To avoid any compatibility problems, please do not use special characters (i.e. ", Ö, Ø, ñ, ®, ý, }, { etc) and please do not use spaces to name your presentation or movie files.
- A Congress PowerPoint template has been prepared. Should you choose to use it, please download it from the **Presenter Information section** on the MAP 2020 Congress page in the ESMO website.
- Due to current scrutiny regarding financial transparency, **IT IS STRICTLY MANDATORY** that you include a **disclosure slide** at the start of the presentation, even if only to confirm that you have no conflicts of interest to declare (please see below for more information).

PRESENTATION PRE-CONGRESS PREPARATION & UPLOAD OF YOUR PRESENTATION

It is essential that you upload your **slide PowerPoint presentation** which will be used for the recording of your oral presentation well before your recording date.

Further instructions to access in the management presentation system and to record your presentation (beginning of September) will be sent by our supplier CTI.

Due to the virtual format, it is vital that each Speaker keeps strictly to the time allocated for his/her presentation. Recordings running over the allocated time will regretfully have to be stopped once the time limit has been reached, even if the talk itself has not been completed.

PRESENTATION PROPERTY & DISCLOSURE

All material used in your presentation will remain your property and will not be re-used by MAP organisers without your permission. However, you will be requested to allow your slides to be included in the Congress webcast.

Due to current scrutiny regarding financial transparency, **IT IS STRICTLY MANDATORY that you include a disclosure slide** at the start of the presentation, even if only to confirm that you have no conflicts of interest to declare.

The MAP Virtual Congress 2020 policy requires that you make a statement at the beginning of your presentation revealing:

- any financial interest in, or arrangement with, a company those products or services are discussed in your presentation
- any financial interest in, or arrangement with, a competing company
- any other financial connections, direct or indirect, or other situations that might raise the question of bias in the work reported or conclusions, implications, or opinions states – including pertinent commercial or the sources of funding
- for the individual presenter or for the associated department or organization, personal relationship, or direct academic competition
- you have no conflicts of interests to declare

If the study has received funding, this must also be acknowledged at the beginning of your presentation: “Study sponsored by...”
