- **Faculty Q&A and Take-Home Messages**
All Faculty

Organized by

This activity is supported by an unrestricted educational grant from Bayer HealthCare Pharmaceuticals Inc. Bayer has had no involvement in the selection of the speakers, the development of the activity, the agenda or the materials.

This independent medical education activity is organised by PeerVoice. PeerVoice activities are designed to fill the unmet needs of the medical community by reporting information pertaining to clinically relevant advances and developments in the science and practice of medicine. The preparation of PeerVoice activities is supported by written agreements that clearly stipulate and enforce the editorial independence of PeerVoice and the faculty presenters.
