

9-12 DECEMBER 2020

ESMO Immuno-Oncology Virtual Congress 2020

Industry Guidelines

WELCOME!

Dear Industry Partners,

Immuno-oncology is here to stay as a stand-alone therapeutic domain in oncology. It joins chemotherapy, radiotherapy, molecular therapy and surgery as an effective weapon in the fight against cancer.

Mark your calendars, because the ESMO Immuno-Oncology Congress (9-12 December) is going virtual. Due to the current situation, we feel the need to protect all involved stakeholders and delegates, while allowing a wider participation to the event.

We invite you to take part in the ESMO Immuno-Oncology Virtual Congress, a global meeting aimed at building a truly international community of immuno-oncology stakeholders.

The ESMO Immuno-Oncology Virtual Congress 2020 will allow you to:

- Update your knowledge in the fast-developing field of cancer immunotherapy
- Understand what is in progress with other immune-related pathways beyond immune check-point inhibitors
- Review the current state-of-the-art in immunotherapy for the most frequent cancers
- Learn how to best use immunotherapy strategy in combination with other anti-cancer treatments

Don't miss the chance to share your research and expertise with an even bigger community this year, thanks to our virtual format!

PREFACE

Congress Dates

Platform, Virtual Exhibition and ePosters
8-12 December 2020
Official programme & Industry Satellites Symposia
9-12 December 2020

Important Note:

The platform and all activities will close on the 12 December 2020. However, the platform will remain available with the on-demand content and exhibition information until 15 December 2020.

Well organised planning makes for successful execution and the European Society for Medical Oncology (ESMO) together with its partner suppliers will be glad to guide you towards a congress rich in discussion and exchange for your organisation.

These ESMO Immuno-Oncology Virtual Congress 2020 Industry Guidelines will guide you in the necessary steps of your participation at our brand new ESMO Immuno-Oncology Virtual congress.

The document is organised into 7 distinct sections namely:

- Deadlines
- Index
- Contacts
- Industry Satellite Symposia
- Promotion
- General Terms and Conditions
- ESMO Priority List

Please read this document carefully and share with the necessary colleagues and agencies involved in the organisation of your ESMO Immuno-Oncology Virtual Congress 2020 activities.

Participation at the ESMO Immuno-Oncology Virtual Congress 2020 implies an acceptance of the requirements contained within these Industry Guidelines and also in any updates posted on the [ESMO website](#).

Details regarding the Virtual Exhibition will be included in the ESMO Immuno-Oncology Virtual Congress 2020 Exhibitor Manual. A copy of this document will be available on our website and your main contact for any additional queries on this aspect of the project will be the ESMO Immuno-Oncology Virtual Congress 2020 Secretariat (immuno@esmo.org).

We look forward to working with you towards a rich and innovative ESMO Immuno-Oncology Virtual Congress 2020!

INDUSTRY SATELLITE SYMPOSIA

1. SATELLITE SYMPOSIA GENERAL INFORMATION

Satellite symposia will take place from the 10-11 December 2020 and be located in the ESMO Immuno-Oncology Virtual Congress 2020 Industry Satellite Symposia Gallery. Details of available slots may be obtained by email from sponsorevents@esmo.org

1.1 Satellite Symposia Programme

All satellite symposia programmes must be approved by the ESMO Immuno-Oncology Virtual Congress 2020 Scientific Committee with a view to ensuring the scientific quality and scope of such symposia within the framework of the Congress. Companies are strongly encouraged to establish a programme in line with the general concept of the Congress scientific programme. Current ESMO policy encourages the avoidance of topic and/or statement repetition, and/or lectures which may be in conflict with what the ESMO Immuno-Oncology Virtual Congress 2020 Scientific Committee considers to be a proper, scientifically well-founded point of view. ESMO reserves the right to veto speakers. In order to ensure a greater diversity of opinion and scientific contribution, the ESMO Executive Board recommends that a speaker presents at no more than one (1) satellite symposium. However, if unavoidable, a speaker may be involved in a second satellite for a maximum of two (2) symposia during the Congress. Kindly note that this restriction applies regardless of whether the speaker receives an honorarium or not.

In accordance with the ESMO Organisational Regulations, the ESMO Educational Committee Chair, ESMO Guidelines Committee Chair, ESMO Cancer Medicines Committee Chair, ESMO Compliance Committee Chair, ESMO Editors-in-Chief and ESMO Deputy Editors-in-Chief of ESMO journals are not permitted to Chair or present at any industry sponsored satellite symposium. Other members of the ESMO Executive Board and ESMO Council may participate in industry sponsored satellite symposia (see limits above), subject to the ESMO Executive Board being informed well in advance, with a possible veto if deemed appropriate.

The ESMO Immuno-Oncology 2020 Scientific Committee Co-Chairs are also not allowed to participate in any industry sponsored satellite symposium. This restriction does not apply to ESMO Colloquia.

Details of the ESMO Council may be found via: www.esmo.org/About-Us/Who-We-Are/ESMO-Council

Any changes to the provisional or the final programme must be forwarded immediately for re-approval to the ESMO Immuno-Oncology Virtual Congress 2020 Scientific Programmes Department (programme@esmo.org) in time to submit the final version by **9 November** at the latest.

Submitting an abstract to the ESMO Immuno-Oncology Virtual Congress Scientific Committee and the official Congress programme implies that the study reported therein will not be presented as such during the Congress at any industry satellite symposium prior to its presentation in the official ESMO Virtual Congress 2020 programme, and that it has not been presented elsewhere.

1.2 Programme submission deadline

2 November Deadline for receipt of the final programme

9 November Deadline for minor changes to the programme

Please note that ESMO can act as a provider of sponsored educational satellite symposia, offering companies the benefit of the society's experience and knowhow to develop a truly independent symposium. If you are interested in receiving more information about ESMO Colloquia, please contact programme@esmo.org

2. SATELLITE SYMPOSIA DETAILS

- Dedicated satellite symposium virtual space to display additional session information and material
- General metrics
- Symposium session published in the Online Programme, Virtual Congress Platform and Congress App
- Symposium digital poster in the ESMO Immuno-Oncology Virtual Congress 2020 Industry Satellite Symposia Gallery

3. PLATFORM OVERVIEW

3.1 ESMO Immuno-Oncology Virtual Congress 2020 Industry Satellite Symposia Gallery

All satellite symposia will be allocated in the ESMO Immuno-Oncology Virtual Congress 2020 Industry Satellite Symposia Gallery.

Each digital programme poster artwork should respect the following format and deadline:

- The wording “ESMO Immuno-Oncology Virtual Congress 2020 Industry Satellite Symposium” must be included at the top of each poster in order to avoid any confusion with the official scientific programme
- Format: will be confirmed to the responsible person of the satellite symposium
- Please submit your programme poster artwork to immuno@esmo.org by **9 November 2020**

* Indicative example, all visuals/graphics of this document are subject to change according to the ESMO Immuno-Oncology Virtual Congress 2020 design.

4. PRE-RECORDING

Companies can choose to do the pre-recording of their satellite either with the official supplier CTI or externally and this must be communicated to ESMO (immuno@esmo.org) by **9 November 2020**. After this deadline CTI will **not** be able to accept any further pre-recording request.

4.1 Recording via the official supplier CTI

The designated contact person of the satellite will be contacted by CTI for further details, schedules and booking options.

Recording day/time slot

The sponsor is kindly asked to contact the speakers and chairs, in order to identify a 2-hours slot when they are all available to record the symposium on 17 or 19 November 2020.

This pre-recording time slot includes an introduction, practical info, audio final check and the recording of all presentations within one session; therefore, all speakers need to be available in this timeslot. The default pre-recording outcome is one video webcast per presentation/lecture.

Deadline to inform CTI at a.stipsits@ctimeetingtech.com about the chosen slot: **9 November 2020**

Upload of files

1. The main contact will receive an invitation via email, to upload all files to cSLIDE (the CTI online system).
2. Format: Presentation files will be accepted in MS PowerPoint format only. Macintosh presentations (i.e. Keynote) cannot be accommodated.
3. Versions: the presentations must be prepared in MS PowerPoint 2010, 2013 or 2016. MS PowerPoint 2016 is used in the virtual "Session Room" onsite.
4. File size: The size of any given presentation should not exceed 500 MB, if uploaded online prior to the meeting.
5. Audio and movies: Place all audio and movie files linked with the presentation into a single file folder (e.g. when transferring the presentation from your hard disk to the USB flash drive or external hard disk or when uploading it to cSLIDE, the conference preview system).
6. Fonts: Do not use special fonts which are not part of the standard PowerPoint package, as this will cause problems when uploading your file.
7. Do not use passwords or encryption with your files.
8. Please note that macros should not be used and flash animations are not supported.
9. The aspect ratio of your presentation should be 16:9.

Deadline to upload all presentations using the link send by CTI in the invitation: **13 November 2020**

Guidelines to be distributed to your speakers and chairs

1. Before you start recording, please make sure there is no background noise.
2. Next, select a place or room where your background is structured, ideally with a white wall or a bookshelf.
3. Place your laptop in front of you.
4. Make sure you have a stable internet connection with a minimum of 1,5 MB upload/download.
5. Download the programme "Zoom".
6. Login to cSLIDE where you uploaded your files.

7. You will find the link to “Zoom” to enter the “Virtual Session Room”.
8. The “Session Assistant” will guide you through the technical check-ups and help with your rehearsal.
9. Once you feel comfortable, the recording can start.
10. You can repeat your recording as many times as needed in the assigned window.

Branding

There is the possibility to brand the satellite symposium. Details will be provided by CTI.

Deadline to provide CTI at a.stipsits@ctimeetingtech.com with the branding elements: **13 November 2020**

Post-recording

The main contact will receive the link to view the recorded Satellite symposium by **26 November 2020**.

4.2 Recording with external supplier

If you are using an external supplier to record your satellite symposium please notify ESMO (immuno@esmo.org) by 9 November 2020. The appointed agency will need to deliver the complete video file(s) in the following format by 24 November 2020 to a.stipsits@ctimeetingtech.com:

1. Speaker Video:
 - Format: 720p
 - Container MP4
 - Codec: h.264
 - Audio AAC
2. Video of PPT projection:
 - Format: 720p (16:9)
 - Container MP4
 - Codec: h.264
 - Audio AAC

5. ADDITIONAL SERVICES INCLUDED

Once your session presentations have been uploaded to the system, you can benefit from the following services:

5.1 Session rehearsal for live Q&A

- Up to 60 minutes rehearsal/preview with speakers and company representatives
- General instructions and technical check of speaker's hardware

5.2 Satellite Symposium Live Q&A

Each satellite symposium slot can include at the end a Live Q&A within the allocated 60 minutes slot, where speakers and/or chairs discuss the session content in a live-stream and delegates can send in questions via the Q&A chat. The session can contain some slides or videos if required, followed by the discussion.

Companies may request the recording file of the Live Q&A to CTI. The result of the recording will be one .mp4 file. Upon request the webcast of the Live Q&A will be bolted on to the satellite symposium recording available in the dedicated virtual space within 48 hours.

Both services need to be confirmed to CTI (a.stipsits@ctimeetingtech.com) by **26 November 2020**.

5.2.1 Live Q&A chat function (included)

The ESMO Immuno-Oncology Virtual Congress 2020 attendees can send questions via the Live Q&A chat function available for each Live Q&A

- Available during the Live Q&A
- Comments can be managed (hide, delete, answer) by the chat assistant
- Speakers are free to discuss any topic or choose to discuss the topic raised by comments

Congress participants will be able to ask questions (by typing in) using the chat next to the streaming video.

5.3 Post-Congress hosting

Post-congress, the hosting will be handled as follows:

- OncologyPRO Sponsors satellite symposia will be hosted on OncologyPRO for 2 years
- Non-OncologyPRO Sponsors satellite symposia will be hosted free of charge on the ESMO Meeting Resources for 6 months

5.4 Evaluation of the symposium

From the Satellite Symposia Gallery, the Companies can decide to have a link to a satellite evaluation questionnaire placed on an external website. It is the responsibility of the Company to monitor and assess the result of the evaluation. Deadline to send the link to immuno@esmo.org: 20 November 2020

5.5 General metrics

The following metrics will be available after the congress:

- No. of visitors per session
- Average view duration
- No. of visitors per company profile
- No. of visitors per country
- No. of visitors per server time (CET)

6. ADDITIONAL INFORMATION

6.1 Registration

A limited number of complimentary registrations will be assigned to each company, depending on the sponsorship level, granting access to the ESMO Immuno-Oncology Virtual Congress 2020.

Companies can decide to assign these complimentary registrations to:

- Satellites symposium speakers
- Satellites symposium staff
- Exhibition staff

For any additional registrations please contact the ESMO Registration Services Unit (registration@esmo.org).

Please note that chairs/speakers will be given a dedicated link to access the pre-recording of the satellite and/or the Live Q&A. However, if chairs/speakers wish to have full access to the Congress content, the company needs to take care of their registration.

6.2 Access

Satellite symposia sessions will be accessible for all registered delegates;

6.3 Compliance

The ESMO Immuno-Oncology Virtual Congress 2020 is provided to international HCPs with a majority from Europe and is following the EFPIA guidance/code of virtual congresses.

6.4 ESMO Congress Website and Congress App

Besides the satellite symposia appearing in the virtual platform, as mentioned above there will also be reference in our website and Congress App. Industry Satellite symposia published in any of the different platforms will follow the layout given by the Scientific Programme Department. The submission of the programme must follow the format of the ESMO template, which may be requested from programme@esmo.org

The following details are necessary: session title, lecture, titles, allocated time for each presentation, full speaker names, affiliation and contact details.

6.5 Abstract presentation during the Congress

Each company must guarantee that data from studies reported in accepted abstracts will not be presented as such during the Congress at any industry satellite symposium prior to presentation in the official ESMO Immuno-Oncology Virtual Congress 2020 programme.

6.6 ESMO Congress abstract

Abstracts related to industry satellite symposia are not published in the ESMO Immuno-Oncology Virtual Congress 2020 abstract section.

INDUSTRY MEETINGS

7. INDUSTRY MEETINGS AND ACTIVITIES

7.1 Blackout times

Even though the ESMO Immuno-Oncology Virtual Congress 2020 will not be held in its physical format, we kindly ask that all of our Industry Partners refrain from holding parallel activities which are not linked to the ESMO Immuno-Oncology Virtual Congress 2020 or do not reference it. It is in our best and common interest to retain the focus of the profession on this single platform during the ESMO Immuno-Oncology Virtual Congress 2020 dates (9 – 12 December 2020).

7.2 Unofficial satellite symposia or similar events

During the period beginning Wednesday, 9 December 2020 through to Saturday, 12 December 2020, ESMO does not allow any corporate-organised Satellite symposia or similar events to take place on other days and in other places except for the official Industry Sponsored Sessions taking place at the ESMO Immuno-Oncology Virtual Congress 2020.

ESMO discourages all Industry Partners from hosting their official ESMO Immuno-Oncology Virtual Congress 2020 Industry Satellite Symposia webcasts on their respective corporate/educational/medical websites during the period 9-12 December as this could affect the attendance of the satellite symposium/symposia within the ESMO Immuno-Oncology Virtual Congress 2020 platform.

If companies intend promoting their satellite symposium/symposia from their corporate/educational/medical website(s), we would advise using the distinct link to the respective satellite symposium (hosted on the ESMO Immuno-Oncology Virtual Congress 2020 platform).

We thank you in advance for following these recommendations which will help optimise the collective gathering of the global oncology community throughout the event.

PROMOTION

8. PROMOTION OF THE INDUSTRY SATELLITE SYMPOSIUM AND OTHER ACTIVITIES

8.1 e-Publications and e-Advertising

Each company will ensure that all company publications referring to Satellite symposia mention: “ESMO Immuno-Oncology Virtual Congress 2020 Industry Satellite Symposium” in order to avoid any confusion with the official scientific programme. For this reason, all companies must submit a copy of the final publication to sponsorevents@esmo.org and respect the following deadlines:

2 November 2020	Satellite Invitation Weblink and Virtual Congress Bag Insert
9 November 2020	Virtual Scientific Programme Banners

ESMO suggests avoiding cultural or historical references in printed material and bears no responsibility should any such references cause offence.

Furthermore, ESMO bears no responsibility towards the delegates for the display, promotion or sale of therapies or services, neither are ESMO supporting those products or services for their sole promotion at the ESMO Immuno-Oncology Virtual Congress 2020.

However, ESMO reserves the right to deny at any time the display, promotion or sale of products, therapies or services should these be against the generally accepted clinical approach. Promotion of unapproved therapies (by regulatory authorities) is regulated by the local and International laws and ESMO bears no responsibility in case of a complaint based on such laws. Sponsoring companies are therefore advised to consult the Codes of Practice of their governing bodies for information and guidance on regulations around attendance at medical congresses. In all cases, sponsoring companies are responsible for ensuring that their promotion during the congress is legally and ethically acceptable in Switzerland.

8.2 Reproduction of logos

Each company is entitled to use the official logo of the ESMO Immuno-Oncology Virtual Congress 2020 on invitations and promotional documents related to the approved Satellite symposium.

Companies are not allowed to use the ESMO corporate logo under any circumstances.

The ESMO Events Sponsorship Department (sponsorevents@esmo.org) will provide the ESMO Immuno-Oncology Virtual Congress 2020 logo as an electronic file upon request, but not before the draft of the invitation or other promotional material is submitted for approval.

8.3 Inviting participants

Inviting participants to your satellites has never been this easy and effective!

Within each satellite package we allow our Industry Partners to showcase their satellite(s) via a digital satellite invitation weblink whereby we invite delegates to find out more about your session(s).

In the ESMO Immuno-Oncology Virtual Congress 2020 E-Newsletter there will be a dedicated Industry E-News section whereby all these digital invitations will be grouped. These invitations will also be included in our online programme to further increase awareness.

From the 4 November 2020 your satellite invitation weblink will go live (this will be subject to prior submission before the 2 November deadline and subsequent approval by the ESMO Events Sponsorship Department).

The ESMO Immuno-Oncology Virtual Congress 2020 E-Newsletter will be sent out to all registered delegates in mid-November 2020.

Rules and Regulations:

ESMO reserves the right to refuse requested Weblinks should any web page be deemed to conflict with ESMO's ethics or interests.

- A weblink is a page or pdf, created by the sponsoring company, highlighting their satellite symposium.
- The content of the weblink message must not make any statements about the quality or virtues of a sponsoring company and/or any of the company's product(s) either via text or visuals.

With a satellite symposium, the content of the weblink must solely state the:

- Title of the session
- The names of the chairpersons and speakers
- Venue and timing of the ESMO approved scientific programme

Remember that no product names or brand names are allowed in the title or in the scientific programme of the session

- The deadline to submit your weblink to sponsorevents@esmo.org is the 2 November 2020. Your weblink will undergo an internal approval procedure and Industry will be informed within 5 working days as to the status of approval
- This page must not include links, hyperlinks, hot-spots or any means through which the advert can be linked to another site. There will be no exceptions made to this rule
- The weblink may consist of more than 1 virtual page, due to its' online nature, however no more than 2 pages can be included per weblink
- Under no circumstances may "Flash files" be allowed
- Any requests for content or structure change/amendments after the weblink has been linked to the appropriate listing will not be actioned
- To ensure that the ESMO Immuno-Oncology Virtual Congress 2020 logo is properly protected, ESMO has defined guidelines for its use, which permit the use of the Congress logo under specific conditions
- Cancellation of the weblink should be sent in writing to the ESMO Events Sponsorship Department

The web page will only be linked once ESMO approval is confirmed and the payment for the sponsorship package is received

8.4 Virtual Congress Bag

Depending on the chosen sponsorship package there is a possibility for companies to have a Virtual Congress Bag Insert within the Virtual Congress Bag. Artwork should not be larger than A4 format and less than 5MB.

Artwork should be submitted to sponsorevents@esmo.org by the 2 November 2020 for evaluation.

8.5 Advertisements

Advertisements are possible in the virtual Congress environment. Please contact sponsorevents@esmo.org for further details.

8.6 Other promotional activities

Any other activity organised with the purpose of promoting the company's presence during the event or its products or services is subject to ESMO approval.

8.7 Promotion related to product and services

Companies holding satellite symposia are responsible for obtaining relevant information and for complying with all Swiss and international rules and regulations related to advertising and promotion of all products and services mentioned as part of the satellite symposium. Advertising of a specific product does not mean acceptance by ESMO, and the corporation is solely responsible for bringing its advertising into line with local and European laws, as applicable.

GENERAL TERMS AND CONDITIONS

The following conditions of participation refer to the booking of any sponsorship product(s)/service(s) at the ESMO Immuno-Oncology Virtual Congress 2020 insofar as the contractual partners do not reach contrary agreements in writing.

Establishment of Contract

- Application for a sponsorship product(s)/service(s) is made by filling in and returning the sponsorship application form to ESMO.
- Only completed and signed application forms will be taken into consideration. By signing the sponsorship application form, the company accepts the conditions contained in the ESMO Immuno-Oncology Congress 2020 Industry Guidelines and any supplementary provisions.
- Confirmation of the allocation of any sponsorship product(s)/ service(s) by ESMO in writing constitutes establishment of contract between the sponsoring company and ESMO.
- An invoice will then be sent by registered mail. The date of the assignment is considered to be the date of allocation. If the contents of the assignment deviate from the contents of the sponsoring company's application, the contract is based on the assignment issued by ESMO unless the company objects in writing within two weeks after the date the assignment was sent.

Appointed Agencies

- Application for any sponsorship product(s)/service(s) must be submitted by the sponsoring company under whose name each sponsorship item is to be listed. Correspondence in this regard must be made exclusively between the sponsoring company and ESMO.
- Sponsoring companies should inform ESMO in writing which agency is appointed. Otherwise no request from agencies will be taken into consideration.
- It is not the role of any given agency to make initial enquiries or reservations with ESMO independently of the sponsoring company.
- The sponsoring company is responsible for communicating these regulations to its staff and its appointed agencies.
- This named agency cannot fully act as if it were the sponsoring company itself and the sponsoring company will continue to be held entirely responsible and accountable for activities organised in its name.

Procedure

- Send sponsorship application form. The ESMO Events Sponsorship Department will acknowledge receipt of your sponsorship application form and the assignment process will commence soon afterwards.

Assignment

- Will be done on a first come, first served basis (excluding the satellite symposia assignments).

To ensure each sponsoring company has a chance to choose a suitable stand and satellite symposium slot, offers are valid for 48 hours (2 working days) unless the offer makes it clear that the opportunity is freely available.

For this reason, please supply a reliable contact telephone number for an appropriate decision maker within the company.

Payment deadlines

Assignments will be cancelled automatically if the related cost has not been paid within the given time period. In such cases the cancellation fee will be applicable following the cancellation policy.

Terms of Payment

Payment is due within 30 days following the date of the invoice.

Cancellation Policy

The company cancelling its support after the official application has been accepted and the corresponding sponsorship package has been assigned will be liable to a 100% cancellation fee.

Administration fees/invoicing changes

Invoices will be addressed according to the invoicing data provided by the sponsoring company. Please note, if a billing change is requested (i.e. company name change or address change), an administration fee of 70 EUR (Excluding VAT) will be charged to the company.

Indebtedness

Payments not received by the first day of the start of the ESMO Immuno-Oncology Virtual Congress 2020 will be subject to a 10% penalty fee on the total sponsorship investment.

Refunds

Any refunds of deposits paid will be made after ESMO Immuno-Oncology Virtual Congress 2020 but not later than **18 December 2020**. The sponsoring company will not be entitled to any interest that the organiser may have derived from deposits made. All bank charges, including sender's and receiver's charges, resulting from a refund related to cancellation or reduction of sponsorship will be at the charge of the sponsoring company.

Postponement or Abandonment

ESMO reserves the right to postpone the event including the exhibition, or to transfer it to another site, if unforeseen circumstances warrant such action. Should any contingency prevent the holding of the ESMO Immuno-Oncology Virtual Congress 2020 or any of its parts, ESMO cannot be held

liable for any costs, expenses and damages (including, but not limited to direct or consequential damages, loss of opportunity, loss of use, or loss of revenue or profit) incurred in connection with the postponement or abandonment. Unexpected cancellation of the event: ESMO reserves the right to cancel without notice or compensation the ESMO Immuno-Oncology Virtual Congress 2020 in the event of force majeure cases (e.g. strikes, riots, fires, flood, terrorist attacks, governmental actions and regulations, damages or other fatal occurrences). In such cases, ESMO is not liable for failure to perform any obligation hereunder but will reimburse any payments received from the sponsoring company less any costs incurred while preparing the event.

Limitation of Liability of ESMO

ESMO shall not be liable for any damages, dispute or injury arising out of or in connection with the performance of this Agreement unless caused by willful act, gross negligence or default of an employee, director, representative or contractor. Nor shall ESMO be liable to the sponsoring company for any indirect or consequential loss, damages, claims or demands arising out of this.

Agreement, including without limitation any economic loss or other loss of income, profits, business, opportunity, reputation or goodwill.

Bankruptcy or Liquidation

In case the sponsoring company becomes bankrupt or enters into liquidation other than for the purpose of restructuring or merger, or has a receiver appointed, ESMO shall be at liberty to terminate immediately the contract with the sponsoring company, to cancel the allocation of sponsorship product(s)/service(s) to the company and to forfeit all sums paid by the company.

Security and Insurance

Neither ESMO nor its contractors shall be responsible for the safety of any exhibit or other property of the sponsoring company or any person. Furthermore, ESMO nor its contractors shall be responsible for the loss, theft, damage or destruction by any cause of the exhibits or other property, or for loss, damage or injury sustained by any exhibits or any other persons. The sponsoring company/exhibitor shall indemnify ESMO and its contractors to third persons, as a result of any act or omission of the company, its staff, agent or personnel hired on a temporary basis.

As ESMO and its contractors will accept no responsibility for any of the foregoing matters, the sponsoring company should acquire his/her own insurance against any risk of loss due to theft or negligence, damage, injury or liability. The sponsoring company agrees not to pursue ESMO for any previously listed risks.

Enforcement of Rules

Applies equally to all. All companies investing in sponsorship at ESMO Immuno-Oncology Virtual Congress 2020 must comply with all rules and policies established by ESMO.

Violation Procedure

The procedure for policing and enforcing the violation is as follows: When noticing a violation, ESMO staff will ask the company to correct the situation according to the applicable regulations.

If the company refuses to comply, ESMO staff will report alleged violations to the Congress Committee.

After considering the available evidence, a representative of the relevant sponsoring company will be invited to present the company's view, after which the Committee will give its opinion.

This will be confirmed in writing after ESMO Immuno-Oncology Virtual Congress 2020. Appeals may be made to the ESMO Management.

Penalties

- First violation: No accrual of points for the year.
- Second violation: No accrual of points plus the loss of all accrued points to date.
- Third violation: No right to participate at the next ESMO event.

Claims Procedures, Place of Performance and Jurisdiction

All claims by the company booking any sponsorship product(s)/service(s) against ESMO must be in writing.

The maximum time lapse is 1 month from the closure of ESMO Immuno-Oncology Virtual Congress 2020.

Agreements which deviate from these conditions or from the supplementary regulations must be in writing; facsimile signature suffices. The contract is governed exclusively by Swiss law; the English text is authoritative.

Non-smoking policy

The ESMO Immuno-Oncology Congress 2020 is a non-smoking event.

Final Clause

In cases not covered by the regulations in these General Terms and Conditions, ESMO interpretation shall be final.

ESMO PRIORITY LIST

The sponsorship point system has been designed to recognise sponsor investment in ESMO projects and sponsorship points are allocated in acknowledgement of each EUR 10,000 of sponsorship investment.

- a. Accrued sponsorship points define the position of each company in the ESMO sponsors priority list. The priority list identifies companies that will be offered visibility at, and privileged within, events such as the ESMO Congress and related activities, for example satellite symposia, Industry display area space, hotel accommodation, etc.
- b. When an equal number of points are held by 2 or more sponsoring companies, promotional opportunities will be assigned according to the monetary value of the requested opportunities.
- c. ESMO nevertheless retains the right to privilege smaller emerging companies when their products are innovative and the Society feels that their participation in the event would be of benefit to delegates. When satellite symposia are assigned in relation to this clause, the company guarantees that the programme will not be presented elsewhere before the ESMO Congress. Furthermore, all sponsorship items assigned in relation to this clause are subject to specific terms and conditions.
- d. Sponsorship points are cumulative but expire at the end of the 24th month after which they have been allocated.
- e. ESMO recognises the importance of long-term relationships. To this end, 2 points will be assigned to companies for their presence and loyalty on a yearly basis for a minimum of EUR 10,000 of support. The 2 points will not expire. However, for each calendar year during which a company has not been present (with any kind of support), the 2 points are deducted from the company's record.
- f. ESMO will also recognise the contribution to advancements in medicine and science at the ESMO annual Congress. ESMO will allocate one point for each abstract accepted for oral presentation with the mention "Study sponsored by..."
