WELCOME!

Dear Industry Partners,

We invite you to save the date for the European Lung Cancer Virtual Congress (ELCC 2021 Virtual), taking place on **25 – 27 March 2021**.

The European Lung Cancer Virtual Congress (ELCC 2021 Virtual) is a collaborative effort of the most important multidisciplinary societies representing thoracic oncology specialists, working together to advance science, disseminate education and improve the practice of lung cancer specialists worldwide.

At this event, delegates will have the opportunity to:

- Update their knowledge in prevention, screening and early detection of lung cancer
- Review the current state-of-the-art in adjuvant therapy of early lung cancer and in multidisciplinary treatment of locally advanced non-small cell lung cancer
- Learn how to best sequence or combine therapies in advanced non-small cell lung cancer
- Review the current and emerging therapeutic strategies in small cell lung cancer, mesothelioma and other rare thoracic tumours

Medical oncologists, radiation oncologists, thoracic surgeons, respiratory physicians / pneumologists, interventional radiologists and pathologists all benefit from its comprehensive and stimulating programme.

Make sure you connect to this highly interactive meeting and share your expertise with lung cancer specialists from all over the world.

As a valued industry partner, you can benefit from a variety of sponsorship and exhibition opportunities, designed to offer optimal visibility to your content and messaging.

We look forward to collaborating with you in the lead up to this important meeting and we thank you for your invaluable support.

Official programme & Industry Satellites Symposia

25-27 March 2021

Important Note:

The platform and all activities will close on the **27 March 2021**. However, the platform will remain available with the on-demand content and exhibition information until **30 March 2021**.

Well organised planning makes for successful execution and the ELCC Organisers together with its partner suppliers will be glad to guide you towards a congress rich in discussion and exchange for your organisation.

These ELCC 2021 Virtual Industry Guidelines will guide you in the necessary steps of your participation at our brand new ELCC Virtual format.

The document is organised into 7 distinct sections namely:

- Deadlines
- Index
- Contacts
- Industry Satellite Symposia
- Promotion
- General Terms and Conditions
- ESMO Priority List

Please read this document carefully and share with the necessary colleagues and agencies involved in the organisation of your ELCC 2021 Virtual congress activities.

Participation at the ELCC 2021 Virtual implies an acceptance of the requirements contained within these Industry Guidelines and also in any updates posted on the [ESMO website](https://www.esmo.org).

Details regarding the Virtual Exhibition will be included in the ELCC 2021 Virtual Exhibitor Manual. A copy of this document will be available on our website and your main contact for any additional queries on this aspect of the project will be the ELCC 2021 Virtual Secretariat (elcc@esmo.org).

We look forward to working with you towards a rich and innovative European Lung Cancer Virtual Congress 2021!

INDUSTRY SATELLITE SYMPOSIA

1. SATELLITE SYMPOSIA GENERAL INFORMATION

Satellite symposia will take place on **25-27 March 2021** and be located in the ELCC 2021 Virtual congress programme. Details of available slots may be obtained by email from sponsorevents@esmo.org

1.1 Satellite Symposia Programme

All satellite symposia programmes must be approved by the ELCC 2021 Virtual Scientific Committee with a view to ensuring the scientific quality and scope of such symposia within the framework of the Congress. Companies are strongly encouraged to establish a programme in line with the general concept of the Congress scientific programme. Currently the ELCC policy encourages the avoidance of topic and/or statement repetition, and/or lectures which may be in conflict with what the ELCC 2021 Virtual Scientific Committee considers to be a proper, scientifically well-founded point of view. The ELCC organisers reserve the right to veto speakers. In order to ensure a greater diversity of opinion and scientific contribution, the ESMO Executive Board recommend that a speaker presents at no more than one (1) satellite symposium. However, if unavoidable, a speaker may be involved in a second satellite for a maximum of two (2) symposia during the Congress. Kindly note that this restriction applies regardless of whether the speaker receives an honorarium or not.

In accordance with the ESMO Organisational Regulations, the ESMO Educational Committee Chair, ESMO Guidelines Committee Chair, ESMO Cancer Medicines Committee Chair, ESMO Compliance Committee Chair, ESMO Editors-in-Chief and ESMO Deputy Editors-in-Chief of ESMO journals are not permitted to chair or present at any industry sponsored satellite symposium. Other members of the ESMO Executive Board and ESMO Council may participate in industry sponsored satellite symposia (see limits above), subject to the ESMO Executive Board being informed well in advance, with a possible veto if deemed appropriate.

The ELCC 2021 Virtual Scientific Committee Co-Chairs are also not allowed to participate in any industry sponsored satellite symposium. This restriction does not apply to ESMO Colloquia.

Details of the ESMO Council may be found via: www.esmo.org/About-Us/Who-We-Are/ESMO-Council

Any changes to the provisional or the final programme must be forwarded immediately for re-approval to the ESMO Scientific Programmes Department (programme@esmo.org) in time to submit the final version by **12 February** at the latest.

Submitting an abstract to the ELCC 2021 Virtual Congress Scientific Committee and the official Congress programme implies that the study reported therein will not be presented as such during the Congress at any industry satellite symposium prior to its presentation in the official ELCC 2021 Virtual congress programme, and that it has not been presented elsewhere.

Each company is responsible for the registration of any satellite symposium speakers who are not participating in the official ELCC 2021 Virtual programme. Registrations are not arranged by ELCC 2021 organisers. Queries may be sent to the ESMO Registration Services Unit (registration@esmo.org).

1.2 Programme submission deadlines

22 January 2021	Deadline for receipt of the programme proposals
29 January 2021	Notification of acceptance / rejection / request for modifications by the ELCC organisers
12 February 2021	Deadline for minor changes to the approved programme

Notes:

1. The above timeline has been established to give all sponsors equal opportunities to invite preferred Speakers and late submission of programme proposals cannot delay the overall approval process. Sponsors who do not adhere to the deadline risk not being able to invite preferred Speakers if they have already been confirmed for other satellites in accordance with this schedule.
2. It will be the responsibility of Speakers who have been nominated for more than two satellites to choose which to accept.

Please note that ESMO can act as a provider of sponsored educational satellite symposia, offering companies the benefit of the society's experience and knowhow to develop a truly independent symposium. If you are interested in receiving more information about ESMO Colloquia, please contact programme@esmo.org

- Dedicated satellite symposium virtual space to display additional session information and material
- General metrics
- Symposium session published in the Online Programme, Virtual Congress Platform and Congress App
- Symposium digital poster in the ELCC 2021 Virtual Industry Satellite Symposia Gallery

3. PLATFORM OVERVIEW

3.1 ELCC 2021 Virtual Industry Satellite Symposia Gallery

All satellite symposia will be allocated in the ELCC 2021 Virtual Industry Satellite Symposia Gallery. Each digital programme poster artwork should respect the following format and deadline:

- The wording “ELCC 2021 Virtual Industry Satellite Symposium” must be included at the top of each poster in order to avoid any confusion with the official scientific programme.
- Format: 1235 x 1235 pixels (square), PNG or JPEG.
- Please submit your programme poster artwork to elcc@esmo.org by **19 February 2021**.

3.3 Chairs/Speakers

There will also be a dedicated section for the chairs/speakers' names, pictures and related biographies.

The screenshot shows the ESMO Immuno-Oncology Virtual Congress website. The top navigation bar includes links for Home, Programme, Streaming, Presenters, ePosters, Satellites, Exhibition, Congress Bag, Evaluation, News, and My Playlist. The main header features the ESMO logo and the text 'ESMO IMMUNO-ONCOLOGY Annual Congress' with the dates '9-12 DECEMBER 2020'. Below the header, a banner for 'BITE THERAPY: THE NEW FRONTIER IN SOLID TUMOUR IMMUNO-ONCOLOGY' is displayed, dated 'THURSDAY 10 DECEMBER 2020 17.00-18.00 CET Channel 1'. The 'Results' section shows a search bar and a list of speakers with their names, locations, and a 'Show presentations' button. The speakers listed are: Curioni, Alessandra (Zurich, Switzerland), Harrington, Kevin (London, United Kingdom), Mazzarella, Luca (Milan, Italy), Powles, Thomas (London, United Kingdom), and Rizvi, Naiyer (New York, United States). A sidebar on the left shows 'Active Filters' for Date (Thursday, Dec 10; Friday, Dec 11) and Session Type (Educational session, ePoster Display, Industry Satellite Symposium, Mini Oral session, Opening session, Proffered Paper session, Special session).

* Indicative example, all visuals/graphics of this document are subject to change according to the ELCC 2021 Virtual design.

3.4 Presentation View and Webcast with CTI

As a default, the presentation slides are shown on the right, and the presenter's video is displayed on the left. The chat is displayed on the right of the presentation. The programme of the day is visible under the streaming.

The screenshot shows a presentation view with a slide titled 'Validation of metastasis driver modules'. The slide content includes a diagram of 'Metastasis associated early driver modules' (APC, KRAS, TP53, PIK3CA, TCF7L2) and a bar chart showing the 'Fraction of patients' for 'Early stage colon cancer (n=1813)' and 'Metastatic colon cancer (n=938)'. The bar chart shows the fraction of patients for APC, KRAS, TP53, and PIK3CA. The live chat window on the right shows a chat history with messages from S. O'Connell, M. Jamal-Hanjani, and F. Barthel. The chat window also has a 'Send' button and a 'To:' dropdown menu with options for 'Everyone', 'Speaker', and 'Moderator'.

* Indicative example, all visuals/graphics of this document are subject to change according to the ELCC 2021 Virtual design.

3.5 Questions & Answers/Chat Function

Each satellite symposium will be given the possibility to have a dedicated Questions & Answers functionality allowing for a more engaging experience with participants. The Companies can choose the type of chat they prefer between:

1. Moderated Chat

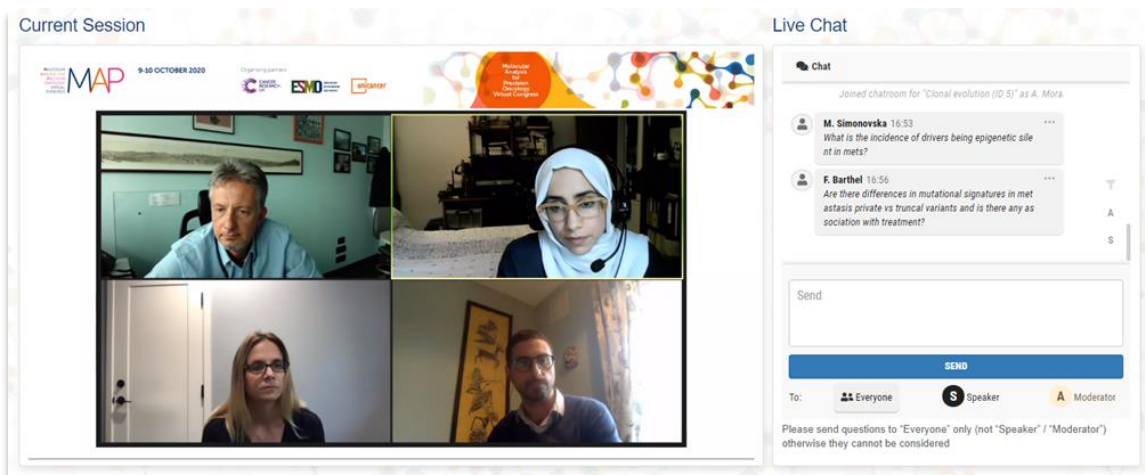

All submitted questions are first viewed by a chat assistant for approval. Once approved, the questions are then visible to presenters and other chat participants. After the question appears in the chat room, the chat assistant can still delete it by clicking "Remove".

2. Unmoderated Chat

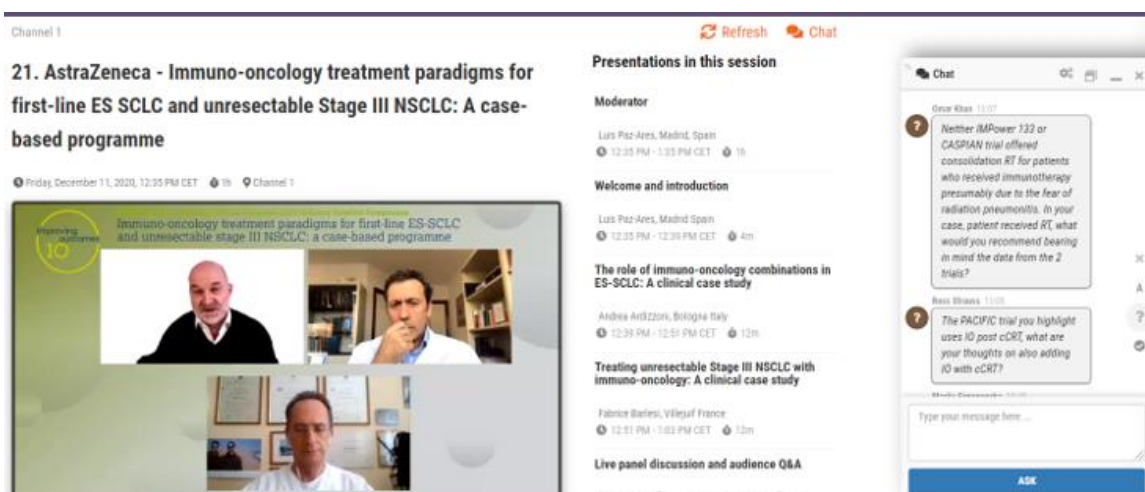

All submitted questions are visible to presenters and other chat participants. After the question appears in the chat room, the chat assistant can still delete it by clicking "Remove".

The Companies need to register their Chat Assistant profiles, in order for them to get the possibility to approve (for moderated chat only), reply and delete comments when necessary.

Companies MUST confirm the contact person by 5 February 2021 by informing the ELCC team (elcc@esmo.org)

*Indicative example, all visuals/graphics of this document are subject to change according to the ELCC 2021 Virtual design.

*Indicative example, all visuals/graphics of this document are subject to change according to the ELCC 2021 Virtual design.

4. PRE-RECORDING

Companies can choose to do the pre-recording of their satellite either with the official supplier CTI or externally and this must be communicated to ELCC team (elcc@esmo.org) by **12 February 2021**. After this deadline CTI will **not** be able to accept any further pre-recording request.

4.1 Recording via the official supplier CTI

The designated contact person of the satellite will be contacted by CTI for further details, schedules and booking options.

Recording day/time slot

The sponsor is kindly asked to contact the speakers and chairs, in order to identify a 2-hours slot when they are all available to record the symposium on **24, 25 or 26 February 2021**.

This pre-recording time slot includes an introduction, practical info, audio final check and the recording of all presentations within one session; therefore, all speakers need to be available in this timeslot. The default pre-recording outcome is one video webcast per presentation/lecture.

Deadline to inform CTI at esmo@ctimeetingtech.com about the chosen slot: **12 February 2021**.

Upload of files

1. The main contact will receive an invitation via email, to upload all files to cSLIDE (the CTI online system).
2. Format: Presentation files will be accepted in MS PowerPoint format only. Macintosh presentations (i.e. Keynote) cannot be accommodated.
3. Versions: the presentations must be prepared in MS PowerPoint 2010, 2013 or 2016. MS PowerPoint 2016 is used in the virtual "Session Room" onsite.
4. File size: The size of any given presentation should not exceed 500 MB, if uploaded online prior to the meeting.
5. Audio and movies: Place all audio and movie files linked with the presentation into a single file folder (e.g. when transferring the presentation from your hard disk to the USB flash drive or external hard disk or when uploading it to cSLIDE, the conference preview system).
6. Fonts: Do not use special fonts which are not part of the standard PowerPoint package, as this will cause problems when uploading your file.
7. Do not use passwords or encryption with your files.
8. Please note that macros should not be used and flash animations are not supported.
9. The aspect ratio of your presentation should be 16:9.

Deadline to upload all presentations using the link send by CTI in the invitation: **22 February 2021**.

Guidelines to be distributed to your speakers and chairs

1. Before you start recording, please make sure there is no background noise.
2. Next, select a place or room where your background is structured, ideally with a white wall or a bookshelf.
3. Place your laptop in front of you.
4. Make sure you have a stable internet connection with a minimum of 1,5 MB upload/download.
5. Download the programme "Zoom".
6. Login to cSLIDE where you uploaded your files.
7. You will find the link to "Zoom" to enter the "Virtual Session Room".
8. The "Session Assistant" will guide you through the technical check-ups and help with your rehearsal.
9. Once you feel comfortable, the recording can start.
10. You can repeat your recording as many times as needed in the assigned window.

Branding

There is the possibility to brand the satellite symposium with a banner (1920 x 150 px), a background picture (1920 x 1080 px), background color (specified with the color code - RGB) and the logo.

Deadline to provide CTI at esmo@ctimeetingtech.com with the branding elements: **22 February 2021**.

Post-recording

The main contact will receive the link to view the recorded Satellite symposium by **8 March 2021**.

4.2 Recording with external supplier

If you are using an external supplier to record your satellite symposium please notify ELCC team (elcc@esmo.org) by **12 February 2021**. The appointed agency will need to deliver the complete video file(s) in the following format by **10 March 2021** to esmo@ctimeetingtech.com:

1. Speaker Video:
 - Format: 720p
 - Container MP4
 - Codec: h.264
 - Audio AAC
2. Video of PPT projection:
 - Format: 720p (16:9)
 - Container MP4
 - Codec: h.264
 - Audio AAC

5. ADDITIONAL SERVICES INCLUDED

Once your session presentations have been uploaded to the system, you can benefit from the following services:

5.1 Session rehearsal for live Q&A

- Up to 60 minutes rehearsal/preview with speakers and company representatives
- General instructions and technical check of speaker's hardware

5.2 Satellite Symposium Live Q&A

Each satellite symposium slot can include at the end a Live Q&A within the allocated 90 minutes slot, where speakers and/or chairs discuss the session content in a live-stream and delegates can send in questions via the Q&A chat. The session can contain some slides or videos if required, followed by the discussion.

Companies may request the recording file of the Live Q&A to CTI. The result of the recording will be one .mp4 file. Upon request the webcast of the Live Q&A will be bolted on to the satellite symposium recording available in the dedicated virtual space within 48 hours.

Both services need to be confirmed to CTI (esmo@ctimeetingtech.com) by **10 March 2021**.

5.2.1 Live Q&A chat function (included)

The ELCC 2021 Virtual attendees can send questions via the Live Q&A chat function available for each Live Q&A

- Available during the Live Q&A
- Comments can be managed (approved, delete, answer) by the chat assistant, depending on the selected type of chat: moderated or unmoderated.
- Speakers are free to discuss any topic or choose to discuss the topic raised by comments

Congress participants will be able to ask questions (by typing in) using the chat next to the streaming video.

5.3 Post-Congress hosting

Post-congress, the hosting will be handled as follows:

- OncologyPRO Sponsors satellite symposia will be hosted on OncologyPRO for 2 years
- Non-OncologyPRO Sponsors satellite symposia will be hosted free of charge on the ESMO Meetings Library for 6 months

5.4 Evaluation of the symposium

From the Satellite Symposia Gallery, the Companies can decide to have a link to a satellite evaluation questionnaire placed on an external website. It is the responsibility of the Company to monitor and assess the result of the evaluation. Deadline to send the link to elcc@esmo.org: **10 March 2021**.

5.5 General metrics

The following metrics will be available after the congress:

- No. of visitors per session
- Average view duration
- No. of visitors per company profile
- No. of visitors per country
- No. of visitors per server time (CET)

6. ADDITIONAL INFORMATION

6.1 Registration

A limited number of complimentary registrations will be assigned to each company, depending on the sponsorship level, granting access to ELCC 2021 Virtual.

Companies can decide to assign these complimentary registrations to:

- Satellites symposium speakers
- Satellites symposium staff
- Exhibition staff

For any additional registrations please contact the ESMO Registration Services Unit (registration@esmo.org).

Please note that chairs/speakers will be given a dedicated link to access the pre-recording of the satellite and/or the Live Q&A. However, if chairs/speakers wish to have full access to the Congress content, the company needs to take care of their registration.

6.2 Access

Satellite symposia sessions will be accessible for all registered delegates.

6.3 Compliance

The ELCC 2021 Virtual is provided to international HCPs with a majority from Europe and is following the EFPIA guidance/code of virtual congresses.

6.4 ELCC Congress Website and Congress App

Besides the satellite symposia appearing in the virtual platform, as mentioned above there will also be reference in our website and Congress App. Industry Satellite symposia published in any of the different platforms will follow the layout given by the Scientific Programme Department. The submission of the programme must follow the format of the ELCC template, which may be requested from programme@esmo.org

The following details are necessary: session title, lecture, titles, allocated time for each presentation, full speaker names, affiliation and contact details.

6.5 Abstract presentation during the Congress

Each company must guarantee that data from studies reported in accepted abstracts will not be presented as such during the Congress at any industry satellite symposium prior to presentation in the official ELCC 2021 Virtual programme.

6.6 ELCC Congress abstract

Abstracts related to industry satellite symposia are not published in ELCC 2021 Virtual abstract section.

INDUSTRY MEETINGS

7. INDUSTRY MEETINGS AND ACTIVITIES

7.1 Blackout times

Even though the ELCC 2021 Virtual will not be held in its physical format, we kindly ask that all of our Industry Partners refrain from holding parallel activities which are not linked to ELCC 2021 Virtual or do not reference it. It is in our best and common interest to retain the focus of the profession on this single platform during the ELCC 2021 Virtual dates, **25 – 27 March 2021**.

7.2 Unofficial satellite symposia or similar events

During the period beginning Wednesday, **25 March** through to Saturday, **27 March 2021**, ELCC Congress secretariat does not allow any corporate-organised Satellite symposia or similar events to take place on other days and in other places except for the official Industry Sponsored Sessions taking place at the ELCC 2021 Virtual.

ELCC Congress Secretariat discourages all Industry Partners from hosting their ELCC 2021 Virtual Industry Satellite Symposia webcasts on their respective corporate/educational/medical websites during the **period 25-27 March 2021**, as this could affect the attendance of the satellite symposium/symposia within the ELCC 2021 Virtual platform.

If companies intend promoting their satellite symposium/symposia from their corporate/educational/medical website(s), we would advise using the distinct link to the respective satellite symposium (hosted on the ELCC 2021 Virtual platform).

We thank you in advance for following these recommendations which will help optimise the collective gathering of the global oncology community throughout the event.

7.3 Meet the Investigator Studio Time Slots

Meet the Investigator Studio Time Slots are specially dedicated virtual meetings for lectures, Q&A, and scientific dissemination about investigator activities in non-marketed active agents. These are closed meetings and upon invitation only.

The meetings will take place in virtual format (via Teams / Zoom / Webex / other) and will grant:

- Access (via access code) limited to 100 delegates
- Presentations of 1 hour in live webcast format. Presentations one after the other, strict enforcing of timeslot allocation
- Companies have the possibility to book single slots of 1 hour.

The company administrator will need to check, manage and disseminate the access codes to their attendees. If requested the Companies can ask technical support to CTI for the organisation of the Meet the Investigator Studio Time Slots via Zoom Room.

If you plan to use any speaker(s) that are already involved in the ELCC scientific programme, your Meet the Investigator Studio Time Slot(s) must not be in conflict with the official ELCC scientific and educational sessions they have committed to.

ELCC organisers reserve the right to veto speakers. In order to ensure a greater diversity of opinion and scientific contribution, the ESMO Executive Board recommends that a speaker presents at no more than one (1) Meet the Investigator Studio Time Slots. However, if unavoidable, a speaker may be involved in a second Meet the Investigator Studio Time Slots for a maximum of two (2) Meet the Investigator Studio Time Slots during the Congress. Kindly note that this restriction applies regardless of whether the speaker receives an honorarium or not.

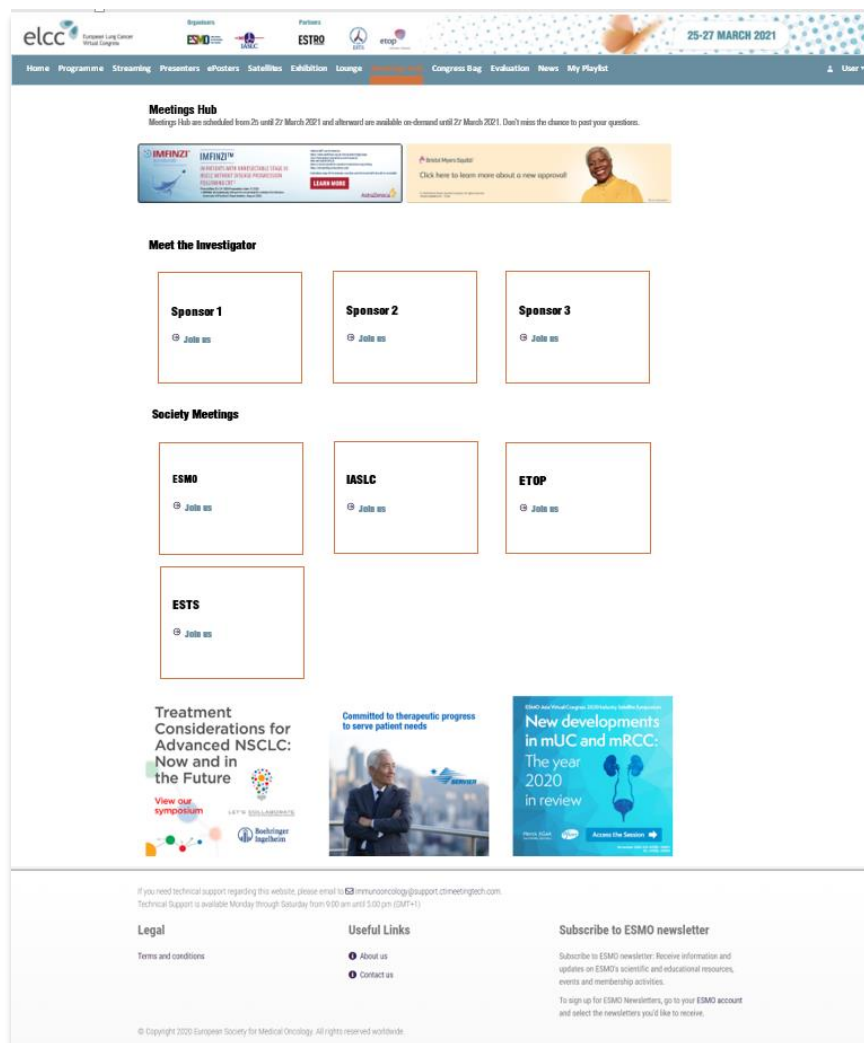

Additionally, the following ELCC Officers are not allowed to participate (in either a Chair or Presenter role) in any Meet the Investigator Studio Time sessions:

ESMO President, President-Elect, Past-President, Director of Education, Director of Public Policy, Director of Membership, Congress Scientific Chair(s), Educational Committee Chair(s), Guidelines Committee Chair, Cancer Medicines Committee Chair, Compliance Committee Chair, Editors-in-Chief and Deputy Editors-in-Chief of ESMO journals.

All other ESMO Council members may participate in a maximum of two Meet the Investigator Studio sessions subject to approval by the ESMO Executive Board. This restriction does not apply to ESMO Colloquia. Details of the ESMO Council may be found via: www.esmo.org/About-Us/Who-We-Are/ESMO-Council

For more information and to book your slot, please contact the ESMO Events Sponsorship Department (sponsorevents@esmo.org). Meet the Investigator Studio Time Slots will be assigned on a first-come, first-served basis.

In the platform the Meet the Investigator Studio Time Slots will be accessible from the Meetings Hub, see example below:

* Indicative example, all visuals/graphics of this document are subject to change according to the ELCC 2021 Virtual design.

PROMOTION

8. PROMOTION OF THE INDUSTRY SATELLITE SYMPOSIUM AND OTHER ACTIVITIES

8.1 e-Publications and e-Advertising

Each company will ensure that all company publications referring to Satellite symposia mention: “ELCC 2021 Virtual Industry Satellite Symposium” in order to avoid any confusion with the official scientific programme. For this reason, all companies must submit a copy of the final publication to sponsorevents@esmo.org and respect the following deadlines:

1 February 2021	Satellite Invitation Weblink and Virtual Congress Bag Insert
8 February 2021	Virtual Scientific Programme Banners and Virtual Congress Banners

ELCC Congress secretariat suggests avoiding cultural or historical references in printed material and bears no responsibility should any such references cause offence.

Furthermore, ELCC Congress secretariat bears no responsibility towards the delegates for the display, promotion or sale of therapies or services, neither are ESMO supporting those products or services for their sole promotion at ELCC 2021 Virtual.

However, ELCC Congress secretariat reserves the right to deny at any time the display, promotion or sale of products, therapies or services should these be against the generally accepted clinical approach. Promotion of unapproved therapies (by regulatory authorities) is regulated by the local and International laws and ELCC Congress secretariat bears no responsibility in case of a complaint based on such laws. Sponsoring companies are therefore advised to consult the Codes of Practice of their governing bodies for information and guidance on regulations around attendance at medical congresses. In all cases, sponsoring companies are responsible for ensuring that their promotion during the congress is legally and ethically acceptable in Switzerland.

8.2 Reproduction of logos

Each company is entitled to use the official logo of ELCC 2021 Virtual on invitations and promotional documents related to the approved Satellite symposium.

Companies are not allowed to use the ELCC logo under any circumstances.

The ESMO Events Sponsorship Department (sponsorevents@esmo.org) will provide the ELCC 2021 Virtual logo as an electronic file upon request, but not before the draft of the invitation or other promotional material is submitted for approval.

8.3 Inviting participants

Inviting participants to your satellites has never been this easy and effective!

Within each satellite package we allow our Industry Partners to showcase their satellite(s) via a digital satellite invitation weblink whereby we invite delegates to find out more about your session(s).

In the ELCC 2021 Virtual E-Newsletter there will be a dedicated Industry E-News section whereby all these digital invitations will be grouped. These invitations will also be included in our online programme to further increase awareness.

From the **3 February 2021** your satellite invitation weblink will go live (this will be subject to prior submission before the **1 February 2021** deadline and subsequent approval by the ESMO Events Sponsorship Department).

The ELCC 2021 Virtual E-Newsletter will be sent out to all registered delegates before **mid-February 2021**.

Rules and Regulations:

ESMO reserves the right to refuse requested Weblinks should any web page be deemed to conflict with ESMO ethics or interests.

- A weblink is a page or pdf, created by the sponsoring company, highlighting their satellite symposium.

- The content of the weblink message must not make any statements about the quality or virtues of a sponsoring company and/or any of the company's product(s) either via text or visuals.

With a satellite symposium, the content of the weblink must solely state the:

- Title of the session
- The names of the chairpersons and speakers
- Venue and timing of the approved scientific programme
- Remember that no product names or brand names are allowed in the title or in the scientific programme of the session
- The deadline to submit your weblink to sponsorevents@esmo.org is the **1 February 2021**. Your weblink will undergo an internal approval procedure and Industry will be informed within 5 working days as to the status of approval
- This page must not include links, hyperlinks, hot-spots or any means through which the advert can be linked to another site. There will be no exceptions made to this rule
- The weblink may consist of more than 1 virtual page, due to its' online nature, however no more than 2 pages can be included per weblink
- Under no circumstances may "Flash files" be allowed
- Any requests for content or structure change/amendments after the weblink has been linked to the appropriate listing will not be actioned
- To ensure that the ELCC 2021 Virtual logo is properly protected, ESMO has defined guidelines for its use, which permit the use of the Congress logo under specific conditions
- Cancellation of the weblink should be sent in writing to the ESMO Events Sponsorship Department

The web page will only be linked once ELCC Congress secretariat approval is confirmed and the payment for the sponsorship package is received

8.4 Virtual Congress Bag

Depending on the chosen sponsorship package there is a possibility for companies to have a Virtual Congress Bag Insert within the Virtual Congress Bag. Artwork should not be larger than A4 format and less than 5MB.

Artwork should be submitted to sponsorevents@esmo.org by the **1 February 2021** for evaluation.

8.5 Advertisements

Advertisements are possible in the virtual Congress environment. Please contact sponsorevents@esmo.org for further details.

8.6 Other promotional activities

Any other activity organised with the purpose of promoting the company's presence during the event or its products or services is subject to ELCC Congress secretariat approval.

8.7 Promotion related to product and services

Companies holding satellite symposia are responsible for obtaining relevant information and for complying with all Swiss and international rules and regulations related to advertising and promotion of all products and services mentioned as part of the satellite symposium. Advertising of a specific product does not mean acceptance by ESMO, and the corporation is solely responsible for bringing its advertising into line with local and European laws, as applicable.

GENERAL TERMS AND CONDITIONS

The following conditions of participation refer to the booking of any sponsorship product(s)/service(s) at the ELCC 2021 Virtual insofar as the contractual partners do not reach contrary agreements in writing.

Establishment of Contract

- Application for a sponsorship product(s)/service(s) is made by filling in and returning the sponsorship application form to ESMO.
- Only completed and signed application forms will be taken into consideration. By signing the sponsorship application form, the company accepts the conditions contained in the ELCC 2021 Virtual Industry Guidelines and any supplementary provisions.
- Confirmation of the allocation of any sponsorship product(s)/service(s) by ESMO in writing constitutes establishment of contract between the sponsoring company and ESMO.
- An invoice will then be sent by registered mail. The date of the assignment is considered to be the date of allocation. If the contents of the assignment deviate from the contents of the sponsoring company's application, the contract is based on the assignment issued by ESMO unless the company objects in writing within two weeks after the date the assignment was sent.

Appointed Agencies

- Application for any sponsorship product(s)/service(s) must be submitted by the sponsoring company under whose name each sponsorship item is to be listed. Correspondence in this regard must be made exclusively between the sponsoring company and ESMO.
- Sponsoring companies should inform ESMO in writing which agency is appointed. Otherwise no request from agencies will be taken into consideration.
- It is not the role of any given agency to make initial enquiries or reservations with ESMO independently of the sponsoring company.
- The sponsoring company is responsible for communicating these regulations to its staff and its appointed agencies.
- This named agency cannot fully act as if it were the sponsoring company itself and the sponsoring company will continue to be held entirely responsible and accountable for activities organised in its name.

Procedure

- Send sponsorship application form. The ESMO Events Sponsorship Department will acknowledge receipt of your sponsorship application form and the assignment process will commence soon afterwards.

Assignment

- Will be done on a first come, first served basis (excluding the satellite symposia assignments).

To ensure each sponsoring company has a chance to choose a suitable satellite symposium slot, offers are valid for 48 hours (2 working days) unless the offer makes it clear that the opportunity is freely available.

For this reason, please supply a reliable contact telephone number for an appropriate decision maker within the company.

Payment deadlines

Assignments will be cancelled automatically if the related cost has not been paid within the given time period. In such cases the cancellation fee will be applicable following the cancellation policy.

Terms of Payment

Payment is due within 30 days following the date of the invoice.

Cancellation Policy

The company cancelling its support after the official application has been accepted and the corresponding sponsorship package has been assigned will be liable to a 100% cancellation fee.

Administration fees/invoicing changes

Invoices will be addressed according to the invoicing data provided by the sponsoring company. Please note, if a billing change is requested (i.e. company name change or address change), an administration fee of 70 EUR (excluding VAT) will be charged to the company.

Indebtedness

Payments not received by the first day of the start of the ELCC 2021 Virtual will be subject to a 10% penalty fee on the total sponsorship investment.

Refunds

Any refunds of deposits paid will be made after ELCC 2021 Virtual but not later than the **17 December 2021**. The sponsoring company will not be entitled to any interest that the organiser may have derived from deposits made. All bank charges, including sender's and receiver's charges, resulting from a refund related to cancellation or reduction of sponsorship will be at the charge of the sponsoring company.

Data Protection and Sharing of Contact Details

All data provided during the application process may be used (saved, stored, processed, transmitted, shared and deleted, but not modified) to allow the processing and execution of the Application(s). This data may be shared with our contractors to the extent necessary to ensure the organisation of ELCC 2021 Virtual.

Postponement or Abandonment

ESMO reserves the right to postpone the event, including if unforeseen circumstances warrant such action. Should any contingency prevent the holding of the ELCC 2021 Virtual or any of its parts, ESMO cannot be held liable for any costs, expenses and damages (including, but not limited to direct or consequential damages, loss of opportunity, loss of use, or loss of revenue or profit) incurred in connection with the postponement or abandonment.

Unexpected cancellation of the event: ESMO reserves the right to cancel without notice or compensation ELCC 2021 Virtual in the event of force majeure cases (e.g. any acts of God, strikes, labour disputes, epidemics, pandemics, riots, fires, flood, terrorist attacks, governmental actions and regulations, damages or other fatal occurrences). In such cases, ESMO is not liable for failure to perform any obligation hereunder but will reimburse any payments received from the sponsoring company less any costs incurred while preparing the event.

Limitation of Liability of ESMO and Warranties

ESMO shall not be liable for any damages, dispute or injury arising out of or in connection with the performance of this Agreement unless caused by wilful act, gross negligence of an employee, director, representative or contractor. Nor shall ESMO be liable to the sponsoring company for any indirect or consequential loss, damages, claims or demands arising out of this Agreement, including without limitation any economic loss or other loss of income, profits, business, opportunity, reputation or goodwill.

ESMO gives no warranties in respect of any aspect of ELCC 2021 Virtual or any materials related thereto or offered at ELCC 2021 Virtual and, to the fullest extent possible disclaims all implied warranties, including but not limited to warranties of fitness for a particular purpose, accuracy, timeliness, and merchantability. ELCC 2021 Virtual is provided on an "as-is" basis. The views, opinions, and positions expressed by the speakers, attendees, or sponsors at ELCC 2021 Virtual are theirs alone and do not necessarily reflect the views, opinions, or positions of ESMO or any employee thereof. ELCC 2021 Virtual makes no representations as to accuracy, completeness, timeliness, suitability, or validity of any information presented by speakers, attendees, or sponsors at ELCC 2021 Virtual and will not be liable for any errors, omissions, or delays in this information or any losses, injuries, or damages arising from its display or use. ESMO does not endorse, and expressly disclaims all liability relating to, any of the products or services provided by speakers, attendees, or sponsors.

Connectivity or Technical Issues

ESMO specifically disclaims all responsibilities for the unavailability of the ELCC 2021 Virtual website due to unexpected condition and/or problems attributable to a third party's network operators or Force Majeure. The sponsoring company acknowledges that it is its responsibility to ensure a secure and stable internet connection, compatible operating system requirements and that its web browser is up to date in order to avoid connectivity or other technical issues when participating at ELCC 2021 Virtual. ESMO will best efforts in providing access to ELCC 2021 Virtual through third party channels. In the event that the participant encounters connectivity issues due to a weak internet connection, incompatible operating system requirements or inappropriate web browser settings, the participant acknowledges that ESMO is not liable.

Bankruptcy or Liquidation

In case the sponsoring company becomes bankrupt or enters into liquidation other than for the purpose of restructuring or merger, or has a receiver appointed, ESMO shall be at liberty to terminate immediately the contract with the sponsoring company, to cancel the allocation of sponsorship product(s)/service(s) to the company and to forfeit all sums paid by the company.

Security and Insurance

Neither ESMO nor its affiliates shall be liable for any direct, indirect, special, incidental, or consequential costs, damages or losses arising directly or indirectly from ELCC 2021 Virtual or other aspect related thereto.

The sponsoring company/exhibitor shall indemnify ESMO and its contractors to third persons, as a result of any act or omission of the company, its staff, agent or personnel hired on a temporary basis.

As ESMO and its contractors will accept no responsibility for any of the foregoing matters, the sponsoring company should affect his/her own insurance against any risk of loss due to theft or negligence, damage, injury or liability. The sponsoring company agrees not to pursue ESMO for any previously listed risks.

Enforcement of Rules

Applies equally to all. All companies investing in sponsorship at ELCC 2021 Virtual must comply with all rules and policies established by ESMO.

Violation Procedure

The procedure for policing and enforcing the violation is as follows:

When noticing a violation, ESMO staff will ask the company to correct the situation according to the applicable regulations.

If the company refuses to comply, ESMO staff will report alleged violations to the Congress Committee. After considering the available evidence, a representative of the relevant sponsoring company will be invited to present the company's view, after which the Committee will give its opinion.

This will be confirmed in writing after ELCC 2021 Virtual. Appeals may be made to the ESMO Management.

Penalties

- First violation: No accrual of points for the year.
- Second violation: No accrual of points plus the loss of all accrued points to date.
- Third violation: No right to participate at the next ESMO event.

Claims Procedures, Place of Performance and Jurisdiction

All claims by the company booking any sponsorship product(s)/service(s) against ESMO must be in writing.

The maximum time lapse is 1 month from the closure of ELCC 2021 Virtual.

Agreements which deviate from these conditions or from the supplementary regulations must be in writing; facsimile signature suffices. The contract is governed exclusively by Swiss law; the English text is authoritative.

Final Clause

In cases not covered by the regulations in these Industry Guidelines, ESMO interpretation shall be final.

ESMO PRIORITY LIST

The sponsorship point system has been designed to recognise sponsor investment in ESMO projects and sponsorship points are allocated in acknowledgement of each EUR 10,000 of sponsorship investment.

- a. Accrued sponsorship points define the position of each company in the ESMO sponsors priority list. The priority list identifies companies that will be offered visibility at, and privileged within, events such as the ESMO Congress and related activities, for example satellite symposia, Industry display area space, hotel accommodation, etc.
- b. When an equal number of points are held by 2 or more sponsoring companies, promotional opportunities will be assigned according to the monetary value of the requested opportunities.
- c. ESMO nevertheless retains the right to privilege smaller emerging companies when their products are innovative and the Society feels that their participation in the event would be of benefit to delegates. When satellite symposia are assigned in relation to this clause, the company guarantees that the programme will not be presented elsewhere before the ESMO Congress. Furthermore, all sponsorship items assigned in relation to this clause are subject to specific terms and conditions.
- d. Sponsorship points are cumulative but expire at the end of the 24th month after which they have been allocated.
- e. ESMO recognises the importance of long-term relationships. To this end, 2 points will be assigned to companies for their presence and loyalty on a yearly basis for a minimum of EUR 10,000 of support. The 2 points will not expire. However, for each calendar year during which a company has not been present (with any kind of support), the 2 points are deducted from the company's record.
- f. ESMO will also recognise the contribution to advancements in medicine and science at the ESMO annual Congress. ESMO will allocate one point for each abstract accepted for oral presentation with the mention "Study sponsored by..."
