QUESTIONS & COMMENTS FUNCTION

IMPORTANT

- The Questions & Comments function is **included** (no extra costs) in the Satellite Symposium Virtual Space
- Companies may **activate/deactivate** the Questions & Comments function from the Satellite Symposium platform **backend**
- The Questions & Comments moderator needs to be confirmed via **this form** by 28 June 2021

Description

Each satellite symposium will be given the possibility to have on their virtual space a dedicated questions & comments functionality allowing for a more engaging experience with participants. Participants can post and reply comments of other attendees. Via the backend, sponsors can activate/deactivate this function for their satellite, reply and delete comments when necessary. Log-in details will be sent to each company separately.

*Indicative example, all visuals/graphics of this document are subject to change according to the ESMO 2021 design.

The questions & comments function is available throughout the whole period the platform is open and includes admin access for sponsors to the moderation dashboard.

ESMO - European Society for Medical Oncology would like to thank all of our industry partners for their continued support at our congresses and we look forward to bring the best of the science together with you.
