# RATING FUNCTION

## IMPORTANT

- The rating function is **included** (no extra costs) in the Satellite Symposium Virtual Space
- Companies may **activate/deactivate** the rating function from the Satellite Symposium platform **backend**

## Description

Each satellite symposium will be given the possibility to have a rating feature on their satellite symposium Virtual Space. Delegates will be able to rate (1-5 stars) satellite symposia, by session and by individual presentation

### Session ID 72

#### Advances in the pathogenesis and treatment of diabet going beyond the usual

Gastrointestinal tumours

My Rating

\*Indicative example, all visuals/graphics of this document are subject to change according to the ESMO 2021 design.

## NOTE

Delegates will only see their own rating, whereas each company will receive the full results (Excel file) after the congress.

**ESMO - European Society for Medical Oncology** would like to thank all of our industry partners for their continued support at our congresses and we look forward to bring the best of the science together with you.
