1. INTRODUCTION

In the satellite symposium dedicated virtual space backend, companies may upload their speakers' biographies and pictures (prior collection of their consent).

In order to access the backend, please follow the complete instructions available [here](#).

IMPORTANT

Please upload unbranded speakers' pictures and be aware that ESMO and speakers have the right to change both the pictures and biographies whenever needed (as the speaker's profile applies to the whole platform).

2. UPLOAD OF SPEAKERS' BIOGRAPHIES AND PICTURES

Once logged-in, please go into the details of a presentation.

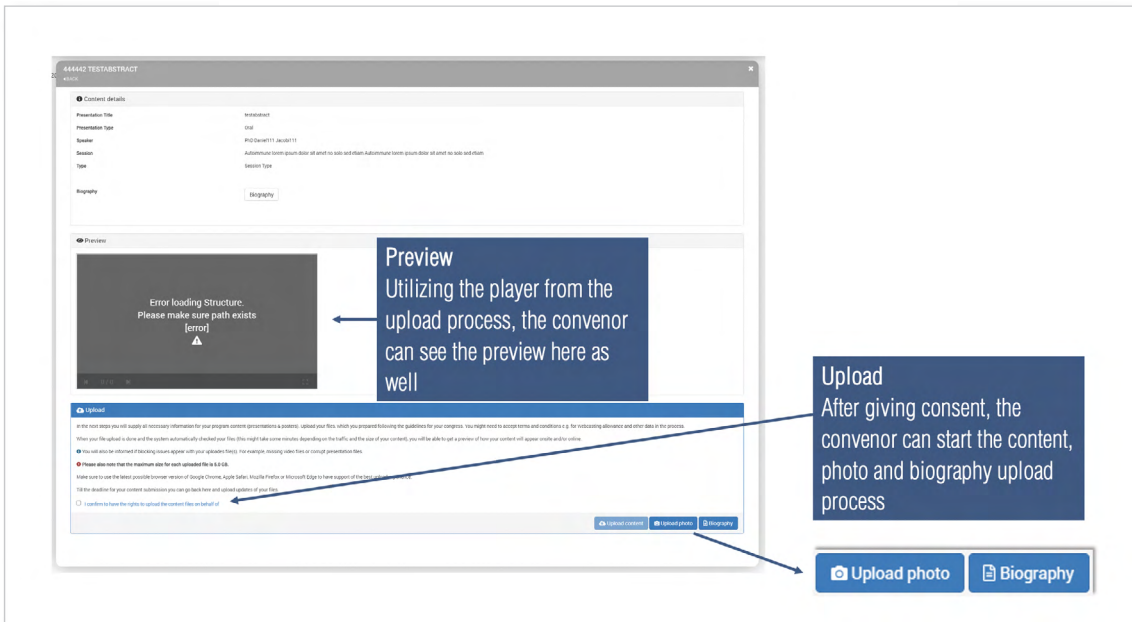

The screenshot displays the 'SESSION COLLABORATION' interface. It shows a list of sessions for collaboration and content review, organized by date and time. The sessions are:
