

Join us for the symposium

Friday, September 17, 2021

08:45–10:15 (CEST) - Channel 5

Chairs:

A. Lamarca (UK)
A. Vogel (Germany)

The clinical value of mLDH1 inhibition in cholangiocarcinoma

Isocitric dehydrogenase: an actionable genetic alteration in cholangiocarcinoma

Angela Lamarca (UK)

The scientific rationale for mLDH1 inhibition

Juan Valle (UK)

Clinical evaluation of mLDH1 inhibition

Rachna T. Shroff (USA)

Discussion on the clinical value of mLDH inhibition

Arndt Vogel (Germany) & **Angela Lamarca** (UK)

Identifying patients with mLDH1: how and when to do molecular testing

Teresa Macarulla (Spain)

What does all this mean for a patient with cholangiocarcinoma?

Arndt Vogel (Germany)

Live Q&A and Discussion

Angela Lamarca (UK)
Teresa Macarulla (Spain)
Rachna T. Shroff (USA)
Juan Valle (UK)
Arndt Vogel (Germany)
