

ESMO 2021 Industry Satellite Symposium

# JANSSEN SYMPOSIUM: A DECADE'S PERSPECTIVE ON ADVANCES IN PROSTATE CANCER

**Sunday 19  
September 2021  
08:45-10:15 CEST  
Channel 3**

## SCIENTIFIC CO-CHAIRS

**Amit Bahl**  
UK

**Laura-Maria Krabbe**  
GERMANY

## FACULTY

**Johann de Bono**  
UK

**Elena Castro**  
SPAIN

**Steven Joniau**  
BELGIUM

## LEARNING OBJECTIVES

After attending this symposium, participants should be able to:

- Reflect on the advances made in the last decade in the management of men with prostate cancer
- Apply the most current improvements in prostate cancer treatment to daily clinical situations
- Discuss the outlook for prostate cancer treatment over the next 10 years

This exciting session will be pre-recorded; however, you have the opportunity to submit your questions to the faculty during our live Q&A on Sunday 19 September 2021, 09:45-10:15 CEST.
