WELCOME

Dear Industry Partners,

ESMO’s Sarcoma and GIST Symposium is a highly specialised meeting bringing together the most brilliant medical minds working on these tumour types. It is known as the place of choice for international networking and collaboration, featuring discussions with the key opinion leaders in these rare sub-entities. The Symposium brings translational researchers and clinicians together and builds on an integrated approach for improved patient outcomes. This year’s Symposium will take place as an onsite event, from 31 January to 2 February 2022 in Milan, Italy, while also providing online access.

ESMO Preceptorship Course
Prior to the Sarcoma and GIST Symposium, ESMO will run a half a day meeting, designed to provide young oncologists with a brief outline of both STS & GIST. The course aims to be the contact or re-introduction with these diseases for oncologists who are interested to know more about them and to have an introduction to the high-profile Symposium in the two days afterwards.

Advanced Course
Also prior to the Sarcoma and GIST Symposium, ESMO will run an Advanced Course. This is a half a day meeting offering an intensive discussion of a set of clinical cases of paediatric, adolescent and young adult STS & GIST for professionals who are already familiar with these diseases. Attendees will benefit from discussions about challenging clinical cases with specialists from both the EU and USA, leveraging the different perspectives and expertise across continents.

Target Audience
- Medical oncologists
- Surgical oncologists
- Radiotherapists
- Pathologists

Important Note:

The platform and all activities will close on the 2 February 2022. However, the platform will remain available with the on-demand content and exhibition information until 4 February 2022.

The ESMO Sarcoma and GIST Symposium 2022 Exhibition is the leading platform to showcase the latest research in the field. This is an outstanding occasion to promote the value of your products and services in an online setting. Be part of this unique event!

Well organised planning makes for successful execution and the ESMO Sarcoma and GIST Symposium 2022 Organisers together with its partner suppliers will be glad to guide you towards a symposium rich in discussion and exchange for your organisation.

This ESMO Sarcoma and GIST Symposium 2022 Exhibitor Manual will guide you in the necessary steps to set up your virtual booth.

This document contains all technical details and backend instructions regarding the virtual exhibition features. Your main contact for any additional queries on this aspect of the project will be the ESMO Sarcoma and GIST Symposium 2022 Secretariat (symposia@esmo.org).

Please read this document carefully and share with the necessary colleagues and agencies involved in the organisation of your ESMO Sarcoma and GIST Symposium 2022 activities.

Participation at the ESMO Sarcoma and GIST Symposium 2022 implies an acceptance of the requirements contained within these Manual and also in any updates posted on the ESMO website.

We look forward to working with you towards a rich and innovative ESMO Sarcoma and GIST Symposium 2022!

2 EXHIBITOR BOOTH OPTIONS

2.1 General information

According to the selected package, companies can present products in their booths, invite to video meetings, chat with participants and collect contact information.

Further information with the exact specification, dimension and data formats can be found in chapter 16 of this document.

ESMO will provide support for the configuration of the booths. Companies have to provide all the content to upload on their booth to symposia@esmo.org by 10 January 2021.

However, companies might request by the 21 January 2021 a direct backend access which also includes the preview function through which the display of the various items and the overall booth can be checked directly, as viewed by the participants.

Companies can define their own categories, headings, displayed products, studies or other content. All content, such as videos, audio files and pdfs will be stored on the platform. Links to external contents/websites can be integrated in designated positions.

For the Integrated chat, exhibitors will be provided with a separate backend login through which all incoming messages can be managed. Please provide the names of the staff members manning the chat to symposia@esmo.org by 17 January 2021, according to your sponsor package and the entitled number of logins. Details to the provided: first and last name, email address.

The following conditions of participation refer to the booking of any sponsorship product(s)/service(s) at the ESMO Sarcoma and GIST Symposium 2022 insofar as the contractual partners do not reach contrary agreements in writing.

Establishment of Contract
- Application for a sponsorship product(s)/service(s) is made by filling in and returning the sponsorship application form to ESMO.
- Only completed and signed application forms will be taken into consideration. By signing the sponsorship application form, the company accepts the conditions contained in the ESMO Sarcoma and GIST Symposium 2022 Industry Guidelines and any supplementary provisions.
- Confirmation of the allocation of any sponsorship product(s)/service(s) by ESMO in writing constitutes establishment of contract between the sponsoring company and ESMO.
- An invoice will then be sent by email. The date of the assignment is considered to be the date of allocation. If the contents of the assignment deviate from the contents of the sponsoring company’s application, the contract is based on the assignment issued by ESMO unless the company objects in writing within two weeks after the date the assignment was sent.

Appointed Agencies
- Application for any sponsorship product(s)/service(s) must be submitted by the sponsoring company under whose name each sponsorship item is to be listed. Correspondence in this regard must be made exclusively between the sponsoring company and ESMO.
- Sponsoring companies should inform ESMO in writing which agency is appointed. Otherwise no request from agencies will be taken into consideration.
- It is not the role of any given agency to make initial enquiries or reservations with ESMO independently of the sponsoring company.
- The sponsoring company is responsible for communicating these regulations to its staff and its appointed agencies.
- This named agency cannot fully act as if it were the sponsoring company itself and the sponsoring company will continue to be held entirely responsible and accountable for activities organised in its name.

Procedure
- Send sponsorship application form. The ESMO Events Sponsorship Department will acknowledge receipt of your sponsorship application form and the assignment process will commence soon afterwards.

Assignment
- Will be done on a first come, first served basis (excluding the satellite symposia assignments).
To ensure each sponsoring company has a chance to choose a suitable satellite symposium slot, offers are valid for 48 hours (2 working days) unless the offer makes it clear that the opportunity is freely available. For this reason, please supply a reliable contact telephone number for an appropriate decision maker within the company.

Payment deadlines
Assignments will be cancelled automatically if the related cost has not been paid within the given time period. In such cases the cancellation fee will be applicable following the cancellation policy.

Terms of Payment
Payment is due within 30 days following the date of the invoice.

Cancellation Policy
The company cancelling its support after the official application has been accepted and the corresponding sponsorship package has been assigned will be liable to a 100% cancellation fee.

Administration fees/invoicing changes
Invoices will be addressed according to the invoicing data provided by the sponsoring company. Please note, if a billing change is requested (i.e. company name change or address change), an administration fee of 70 EUR (excluding VAT) will be charged to the company.

Indebtedness
Payments not received by the first day of the start of the ESMO Sarcoma and GIST Symposium 2022 will be subject to a 10% penalty fee on the total sponsorship investment.

Refunds
Any refunds of deposits paid will be made after the ESMO Sarcoma and GIST Symposium 2022 but not later than the 16 December 2022. The sponsoring company will not be entitled to any interest that the organiser may have derived from deposits made. All bank charges, including sender’s and receiver’s charges, resulting from a refund related to cancellation or reduction of sponsorship will be at the charge of the sponsoring company.

Data Protection and Sharing of Contact Details
All data provided during the application process may be used (saved, stored, processed, transmitted, shared and deleted, but not modified) to allow the processing and execution of the Application(s). This data may be shared with our contractors to the extent necessary to ensure the organisation of the ESMO Sarcoma and GIST Symposium 2022.

Postponement or Abandonment
ESMO reserves the right to postpone the event, including if unforeseen circumstances warrant such action. Should any contingency prevent the holding of the ESMO Sarcoma and GIST Symposium 2022 or any of its parts, ESMO cannot be held liable for any costs, expenses and damages (including, but not limited to direct or consequential damages, loss of opportunity, loss of use, or loss of revenue or profit) incurred in connection with the postponement or abandonment.
Unexpected cancellation of the ESMO Sarcoma and GIST Symposium 2022: ESMO reserves the right to cancel without notice or compensation in the event of force majeure cases (e.g., acts of God, strikes, labor disputes, epidemics, pandemics, riots, fires, floods, terrorist attacks, governmental actions and regulations, damages or other fatal occurrences). In such cases, ESMO is not liable for failure to perform any obligation hereunder but will reimburse any payments received from the sponsoring company less any costs incurred while preparing the event.

Limitation of Liability of ESMO and Warranties
ESMO shall not be liable for any damages, dispute or injury arising out of or in connection with the performance of this Agreement unless caused by willful act, gross negligence of an employee, director, representative or contractor. Nor shall ESMO be liable to the sponsoring company for any indirect or consequential loss, damages, claims or demands arising out of this Agreement, including without limitation any economic loss or other loss of income, profits, business, opportunity, reputation or goodwill.

ESMO gives no warranties in respect of any aspect of the ESMO Sarcoma and GIST Symposium 2022 or any materials related thereto or offered at the ESMO Sarcoma and GIST Symposium 2022 and, to the fullest extent possible disclaims all implied warranties, including but not limited to warranties of fitness for a particular purpose, accuracy, timeliness, and merchantability. The ESMO Sarcoma and GIST Symposium 2022 is provided on an “as-is” basis. The views, opinions, and positions expressed by the speakers, attendees, or sponsors at the ESMO Sarcoma and GIST Symposium 2022 are theirs alone and do not necessarily reflect the views, opinions, or positions of ESMO or any employee thereof. The ESMO Sarcoma and GIST Symposium 2022 makes no representations as to accuracy, completeness, timeliness, suitability, or validity of any information presented by speakers, attendees, or sponsors at the ESMO Sarcoma and GIST Symposium 2022 and will not be liable for any errors, omissions, or delays in this information or any losses, injuries, or damages arising from its display or use. ESMO does not endorse, and expressly disclaims all liability relating to, any of the products or services provided by speakers, attendees, or sponsors.

Connectivity or Technical Issues
ESMO specifically disclaims all responsibilities for the unavailability of the ESMO Sarcoma and GIST Symposium 2022 website due to unexpected condition or/or problems attributable to a third party’s network operators or Force Majeure. The sponsoring company acknowledges that it is its responsibility to ensure a secure and stable internet connection, compatible operating system requirements and that its web browser is up to date in order to avoid connectivity or other technical issues when participating at ESMO Sarcoma and GIST Symposium 2022. ESMO will use its best efforts to provide access to the ESMO Sarcoma and GIST Symposium 2022 through third party channels. In the event that the participant encounters connectivity issues due to a weak internet connection, incompatible operating system requirements or inappropriate web browser settings, the participant acknowledges that ESMO is not liable.

Bankruptcy or Liquidation
In case the sponsoring company becomes bankrupt or enters into liquidation other than for the purpose of reorganizing or merger, or has a receiver appointed, ESMO shall be at liberty to terminate immediately the contract with the sponsoring company, to cancel the allocation of sponsorship product(s)/service(s) to the company and to forfeit all sums paid by the company.

Security and Insurance
Neither ESMO nor its affiliates shall be liable for any direct, indirect, special, incidental, or consequential costs, damages or losses arising directly or indirectly from the ESMO Sarcoma and GIST Symposium 2022 or other aspect related thereto. The sponsoring company/exhibitor shall indemnify ESMO and its contractors to third persons, as a result of any act or omission of the company, its staff, agent or personnel hired on a temporary basis.

As ESMO and its contractors will accept no responsibility for any of the foregoing matters, the sponsoring company should affect his/her own insurance against any risk of loss due to theft or negligence, damage, injury or liability. The sponsoring company agrees not to pursue ESMO for any previously listed risks.

Enforcement of Rules
Applies equally to all. All companies investing in sponsorship at the ESMO Sarcoma and GIST Symposium 2022 must comply with all rules and policies established by ESMO.

Violation Procedure
The procedure for policing and enforcing the violation is as follows:

When noticing a violation, ESMO staff will ask the company to correct the situation according to the applicable regulations. If the company refuses to comply, ESMO staff will report alleged violations to the Congress Committee. After considering the available evidence, a representative of the relevant sponsoring company will be invited to present the company’s view, after which the Committee will give its opinion. This will be confirmed in writing after the ESMO Sarcoma and GIST Symposium 2022. Appeals may be made to the ESMO Management.

Penalties
- First violation: No accrual of points for the year.
- Second violation: No accrual of points plus the loss of all accrued points to date.
- Third violation: No right to participate at the next ESMO event.

Claims Procedures, Place of Performance and Jurisdiction
All claims by the company booking any sponsorship product(s)/service(s) against ESMO must be in writing. The maximum time lapse is 1 month from the closure of the ESMO Sarcoma and GIST Symposium 2022. Agreements which deviate from these conditions or from the supplementary regulations must be in writing; facsimile
signature suffices. The contract is governed exclusively by Swiss law; the English text is authoritative.

**Non-smoking policy**
The ESMO Sarcoma and GIST Symposium 2022 is a non-smoking event.

**Final Clause**
In cases not covered by the regulations in these Industry Guidelines, ESMO interpretation shall be final.
