ESMO PRECEPTORSHIP PROGRAMME BREAST CANCER

Multidisciplinary management, standards of care, therapeutic targets
and future perspectives

Brussels, Belgium
14-15 June 2022

CO-CHAIRS: Evandro de Azambuja, Belgium
Nadia Harbeck, Germany

SPEAKERS: Maria João Cardoso, Portugal
Eva Fallenberg, Germany
Alessandra Gennari, Italy
Matteo Lambertini, Italy
Icro Meattini, Italy
Kevin Punie, Belgium

LEARNING OBJECTIVES

- To learn about screening, diagnosis, and staging of breast cancer
- To learn about genetic testing and management of BRCA carriers
- To understand the impact of breast cancer in young patients
- To learn about the standard of care management of early, locally advanced, and metastatic breast cancer in surgery, radiation therapy, and systemic therapy
- To understand the crucial role of multidisciplinary care in the management of breast cancer

ACCREDITATION

The programme of this event has been accredited with **11 ESMO-MORA category 1 points**.

Recertification is necessary for medical oncologists to remain professionally certified by ESMO. Recertification guarantees that a certified medical oncologist has continued to update his/her knowledge and continues to possess the necessary skills and standards for the practice of medical oncology. For further details please refer to esmo.org.

ACKNOWLEDGEMENTS

This event is supported by an unrestricted educational grant from

sanofi
