

Using biomarkers to guide targeted therapy in gynaecological cancers

Friday, 17 June 2022
13.00 – 14.00 CEST
Auditorium 1A

Please join expert faculty for
an exciting roundtable discussion
featuring key perspectives and
practical insights

Faculty

Ana Oaknin (Chair)
Vall d'Hebron
University Hospital
Barcelona, Spain

Giorgio Valabrega
University of Turin
Turin, Italy

Christoph Grimm
University of Vienna
Vienna, Austria

Xavier Matías-Guiu
University of Lleida
Lleida, Spain

Symposium Agenda

Welcome and introduction
Prof Ana Oaknin

**Can biomarkers guide targeted treatment
for recurrent endometrial cancer?**
Panel discussion led by Prof Giorgio Valabrega

**How and when should HRD testing guide
treatment for 1L advanced ovarian cancer?**
Panel discussion led by Prof Christoph Grimm

**Questions from the audience
and closing remarks**
Panel discussion led by Prof Ana Oaknin
