COVID-19 regulations in place until further notice

ESMO will apply health and safety protocols according to the latest local authority guidelines and regulations, with the aim of ensuring the highest health and safety standards.

On-site Congress participation/entry requirements:

On top of the regulations applied by local authorities to access France, all participants will be asked to adhere to the entry requirements in place to attend the Congress on-site.

Information regarding the health and safety protocols in place at the ESMO Congress 2022 will be available on the [ESMO 2022 website](#).

ESMO foresees the requirement for all participants to provide the following documentation:

- A certificate providing evidence of being fully vaccinated against COVID-19 with a vaccine approved by WHO (the list can be found [here](#)) OR certificate showing proof of recovery from COVID-19

AND

- Proof of negative PCR test or rapid antigen test issued within the 48 hours prior

The above is subject to change according to the evolution of the pandemic. ESMO will make sure to apply the highest required standards and is entitled to ask for additional documentation if necessary moving forward.
