ESMO PRECEPTORSHIP PROGRAMME ADOLESCENT & YOUNG ADULT MALIGNANCIES

Multidisciplinary management, standards of care,
therapeutic targets and future perspectives

Athens, Greece
7-8 October 2022

CO-CHAIRS:

Emmanouil Saloustros, Greece
Daniel Stark, United Kingdom

SPEAKERS:

Ivana Bozovic-Spasojevic, Serbia
Helen Gogas, Greece
Michelle Lockley, United Kingdom
Martin McCabe, United Kingdom
Giannis Mountzios, Greece
Fedro A. Peccatori, Italy
Evangelia Razis, Greece
Sandra Strauss, United Kingdom
Angela Toss, Italy
Winette T.A. van der Graaf, Netherlands

LEARNING OBJECTIVES

- To identify the unique characteristics and the unmet needs of adolescents and young adults (AYA) with cancer
- To describe the unique constellation of malignancies that comprise the spectrum of AYA cancer
- To analyse epidemiology, biology, clinical features and diagnostic challenges of AYA with cancer
- To emphasize radicality of treatment, multi-disciplinarity and psychosocial support of AYA
- To discuss survivorship issues including late sequelae of treatment and the urgent need for clinical trials

ACCREDITATION

The programme of this event has been accredited with **11 ESMO-MORA category 1 points**.

Recertification is necessary for medical oncologists to remain professionally certified by ESMO. Recertification guarantees that a certified medical oncologist has continued to update his/her knowledge and continues to possess the necessary skills and standards for the practice of medical oncology. For further details please refer to esmo.org.

ACKNOWLEDGEMENTS

This event is supported by an unrestricted educational grant from
