

ESMO 2022 Industry Satellite Symposium

ADVANCING TAILORED THERAPIES IN NSCLC AND KRAS^{G12C}-DRIVEN TUMORS

Friday 9 September 2022, 10:15–11:45 CEST

7.2.E – Évry Auditorium, Hall 7, Level 7.2, Paris Expo Porte de Versailles, Paris, France

Available on-demand until Tuesday 20 September 2022

FABRICE BARLESI
MD, PhD

Gustave Roussy
Villejuif, France

SHIRISH GADGEEL
MD, PhD

Henry Ford Cancer Institute
Detroit, Michigan, USA

JARUSHKA NAIDOO
MBBCh

Beaumont Hospital
Dublin, Ireland

10:15–10:20 CEST

Welcome and Introduction

Fabrice Barlesi, MD, PhD

10:20–10:40 CEST

Unmet Needs and Recent Advances for NSCLC

Jarushka Naidoo, MBBCh

10:40–11:00 CEST

Emerging Therapies to Overcome CPI Resistance in NSCLC

Fabrice Barlesi, MD, PhD

11:00–11:30 CEST

New Perspectives with Targeted Options for KRAS^{G12C}-Driven Tumors

Shirish Gadgeel, MD, PhD

11:30–11:45 CEST

Summary and Q&A

Fabrice Barlesi, MD, PhD | Shirish Gadgeel, MD, PhD |
Jarushka Naidoo, MBBCh
