WELCOME

Dear Industry Partners,

Following the successful editions of ESMO Breast Cancer, both physical and virtual, we are proud to announce that ESMO Breast Cancer 2023, will be a LIVE Plus meeting, taking place onsite in Berlin, Germany, on 11-13 May 2023, and online, through a virtual platform.

ESMO Breast Cancer is a congress designed for breast cancer researchers and clinicians who have a specific interest in innovation (including translational research, new agents, molecular and functional diagnostics, biomarkers and cutting-edge research applications in the clinical setting) and care. It will be a multidisciplinary meeting with a global scope, involving top scientists.

At this event, delegates will be able to:

- Update their knowledge on the fast-developing field of breast cancer
- Understand recent developments in novel diagnostics, biomarkers and treatments in breast cancer
- Get the latest updates on the role of antibody drug conjugates in HER2 non overexpressing breast cancers
- Gain insights on new strategies for HER2 positive, luminal and triple negative breast cancers
- Understand special considerations for young patients with breast cancer

We aim to deliver a comprehensive overview of all the practice-changing new data and to make sure it has a clear roadmap to the clinic.

We count on you to take part and we look forward to welcoming you once again to ESMO Breast Cancer, a multidisciplinary meeting where you will learn how to integrate innovation into your daily practice and improve patient care.

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum

GENERAL TERMS AND CONDITIONS

The following conditions of participation refer to the booking of any sponsorship product(s)/service(s) at the ESMO Breast Cancer Congress 2023 insofar as the contractual partners do not reach contrary agreements in writing.

Establishment of Contract

- Application for a sponsorship product(s)/service(s) is made by filling in and returning the sponsorship application form to ESMO.
- Only completed and signed application forms will be taken into consideration. By signing the sponsorship application form, the company accepts the conditions contained in the ESMO Breast Cancer Congress 2023 Industry Guidelines and any supplementary provisions.
- Confirmation of the allocation of any sponsorship product(s)/service(s) by ESMO in writing constitutes establishment of contract between the sponsoring company and ESMO.
- An invoice will then be sent by registered mail. The date of the assignment is considered to be the date of allocation. If the contents of the assignment deviate from the contents of the sponsoring company's application, the contract is based on the assignment issued by ESMO unless the company objects in writing within two weeks after the date the assignment was sent.

Appointed Agencies

- Application for any sponsorship product(s)/service(s) must be submitted by the sponsoring company under whose name each sponsorship item is to be listed. Correspondence in this regard must be made exclusively between the sponsoring company and ESMO.
- Sponsoring companies should inform ESMO in writing which agency is appointed. Otherwise, no request from agencies will be taken into consideration.
- It is not the role of any given agency to make initial enquiries or reservations with ESMO independently of the sponsoring company.
- The sponsoring company is responsible for communicating these regulations to its staff and its appointed agencies.
- This named agency cannot fully act as if it were the sponsoring company itself and the sponsoring company will continue to be held entirely responsible and accountable for activities organised in its name.

Procedure

- Send sponsorship application form. The ESMO Events Sponsorship Department will acknowledge receipt of your sponsorship application form and the assignment process will commence soon afterwards.

Assignment

- Will be done on a first come, first served basis (excluding the satellite symposia assignments).

To ensure each sponsoring company has a chance to choose a suitable stand and satellite symposium slot, offers are valid for 48 hours (2 working days) unless the offer makes it clear that the opportunity is freely available.

For this reason, please supply a reliable contact telephone number for an appropriate decision maker within the company.

Payment deadlines

Assignments will be cancelled automatically if the related cost has not been paid within the given time period. In such cases the cancellation fee will be applicable following the cancellation policy.

Terms of Payment

Payment is due within 30 days following the date of the invoice.

Cancellation Policy

The company cancelling its support after the official application has been accepted and the corresponding sponsorship package has been assigned will be liable to a 100% cancellation fee.

Administration fees/invoicing changes

Invoices will be addressed according to the invoicing data provided by the sponsoring company. Please note, if a billing change is requested (i.e. company name change or address change), an administration fee of 70 EUR (Excluding VAT) will be charged to the company.

Indebtedness

Payments not received by the first day of the start of the ESMO Breast Cancer Congress 2023 will be subject to a 10% penalty fee on the total sponsorship investment.

Refunds

Any refunds of deposits paid will be made after the ESMO Breast Cancer Congress 2023 but not later than the **15 December 2023**. The sponsoring company will not be entitled to any interest that the organiser may have derived from deposits made. All bank charges, including sender's and receiver's charges, resulting from a refund related to cancellation or reduction of sponsorship will be at the charge of the sponsoring company.

Data Protection and Sharing of Contact Details

All data provided during the application process may be used (saved, stored, processed, transmitted, shared and deleted, but not modified) to allow the processing and execution of the Application(s). This data may be shared with our contractors to the extent necessary to ensure the organisation of ESMO Breast Cancer Congress 2023.

Postponement or Abandonment

ESMO reserves the right to postpone the event including the exhibition, or to transfer it to another site, if unforeseen circumstances warrant such action. Should any contingency prevent the holding of the ESMO Breast Cancer Congress 2023 or any of its parts, ESMO cannot be held liable for any costs, expenses and damages (including, but not limited to direct or consequential damages, loss of opportunity, loss of use, or loss of revenue or profit) incurred in connection with the postponement or abandonment. Unexpected cancellation of the event: ESMO reserves the right to cancel without notice or compensation the ESMO Breast Cancer Congress 2023 in the event of force majeure cases (e.g. strikes, riots, fires, flood, terrorist attacks, governmental actions and regulations, damages or other fatal occurrences). In such cases, ESMO is not liable for failure to perform any obligation hereunder but will reimburse any payments received from the sponsoring company less any costs incurred while preparing the event.

Limitation of Liability of ESMO and Warranties

ESMO shall not be liable for any damages, dispute or injury arising out of or in connection with the performance of this Agreement unless caused by wilful act, gross negligence of an employee, director, representative or contractor. The sponsoring company acknowledges that it is its responsibility to ensure a secure and stable internet connection, compatible operating system requirements and that its web browser is up to date in order to avoid connectivity or other technical issues when participating at ESMO Breast Cancer Congress 2023. ESMO will use its best efforts to provide access to the ESMO Breast Cancer Congress 2023 through third party channels. In the event that the participant encounters connectivity issues due to a weak internet connection, incompatible operating system requirements or inappropriate web browser settings, the participant acknowledges that ESMO is not liable.

Bankruptcy or Liquidation

In case the sponsoring company becomes bankrupt or enters into liquidation other than for the purpose of restructuring or merger, or has a receiver appointed, ESMO shall be at liberty to terminate immediately the contract with the sponsoring company, to cancel the allocation of sponsorship product(s)/service(s) to the company and to forfeit all sums paid by the company.

Neither ESMO nor its contractors shall be responsible for the safety of any exhibit or other property of the sponsoring company or any person. Furthermore, ESMO nor its contractors shall be responsible for the loss, theft, damage or destruction by any cause of the exhibits or other property, or for loss, damage or injury sustained by any exhibits or any other persons. The sponsoring company/exhibitor shall indemnify ESMO and its contractors to third persons, as a result of any act or omission of the company, its staff, agent or personnel hired on a temporary basis.

As ESMO and its contractors will accept no responsibility for any of the foregoing matters, the sponsoring company should acquire his/her own insurance against any risk of loss due to theft or negligence, damage, injury or liability. - Second violation: No accrual of points plus the loss of all accrued points to date.
