

INFORMATION FOR PRESENTERS: ORAL ABSTRACT PRESENTERS

ON-SITE ATTENDANCE

As presenting author, your presence is requested onsite in Copenhagen.

For the details on the ESMO COVID-19 regulations to access the congress, please visit the website [here](#)

PREPARATION OF YOUR PRESENTATION

- Presentation must be prepared in Microsoft-PowerPoint(*pptx), in **16:9 format, landscape orientation**. Mac *KeyNote* presentations cannot be accommodated.
- We strongly recommend the use of the [official ELCC 2023 slide template](#). Should you choose your own, kindly note that Speaker presentations must not include any commercial promotion such as the use of sponsor slide templates, logos, branding or colours, or any identifiable slide templates from other medical conferences.
- Due to current scrutiny regarding financial transparency, **IT IS MANDATORY that you include a disclosure slide at the start of the presentation**, even if to confirm there is nothing to declare.
- It is required that your presentation strictly adheres to the given presentation talk time. Based on the presentation outcome you received, please include in your PowerPoint:
 - **PROFFERED PAPER**: recommended max 12 slides (for 10/12 mins presentation)
 - **MINI ORAL**: recommended max 6 slides (for 5 mins presentation)
- Videos can be linked or embedded. Please remember to upload your video files separately if you are using PowerPoint 2007 or older version, as they cannot be embedded into the presentation.
- Use high-contrast lettering, and not too much text per page (max. 10 lines or 15-20 words). Make sure that you use high contrast colours for the best definition of your text.
- Visual material supports your lecture and not be the transcription of it.
- To avoid any compatibility problems, please do not use special characters (i.e. ", Ö, Ø, ñ, ®, ý, etc) and please do not use spaces to name your presentation or movie files.
- QR (Quick Response) and/or AR (Augmented Reality) and text key codes are allowed in the poster, however, although ESMO accepts that these may go to a commercial/branded website, we suggest avoiding links to websites containing blatant product advertising. If you intend adding a QR or a text key code to your poster, please add the following disclaimer notice: "*Copies of this poster obtained through QR (Quick Response) and/or text key codes are for personal use only and may not be reproduced without written permission of the authors.*"

UPLOAD OF YOUR PRESENTATION

Pre-Congress upload:

The slides which will accompany your presentation **must be uploaded** to the Congress portal no later than **Tuesday, 7 March 2023** (**Tuesday, 14 March 2023 for LBA presentations**).

Instructions for the upload of the slides will be sent to you by our supplier CTI by end-February. Please consider that only the first author will have access to the Presentation Management portal.

Your cooperation in respecting this deadline will allow the Discussant sufficient time to prepare a thorough review of the subject and, if necessary, to contact you directly before the Congress concerning your data.

Should any MAJOR changes be necessary after the upload deadline (**Tuesday, 7 March**), it will be possible to reupload an updated version, informing the [ESMO Scientific Programmes Department](#) that a new slide deck is available.

On-site presentation check

Should you wish to check the uploaded file onsite, computers will be available at the Speaker Centre. Final checks must be completed **no later than 2 hours before the start of the session.**

- Once the presentation has been checked, the Congress technical staff will be responsible for delivering it to the auditorium in time for your presentation.
- All session rooms are equipped with computers, beamers, microphones, laser pointers and lecterns.
- Presentations cannot be uploaded directly on laptops in the session rooms.
- Personal laptops cannot be used in the session rooms.

PRESENTATION CONTENT

All material used in your presentation will remain your property; however, you are required to allow your slides to be included in the ELCC 2023 virtual platform, on the ESMO and OncologyPRO websites, and on ESMO approved third-party websites* (possibly with ESMO validated translation).

*Your webcast presentation may be made available as part of an educational package of ELCC 2023 material sponsored by pharmaceutical companies for their own distribution post-event.
