

UNFOLDING THE HER2 SPECTRUM TOGETHER: AN INTERACTIVE DISCUSSION

Chaired by Prof. Peter Schmid in discussion with Dr Shanu Modi, Dr Paolo Tarantino and Dr Javier Cortés, this symposium will:

- Investigate how the changing HER2 treatment landscape impacts clinical practice
- Discuss practices required to navigate this developing landscape
- Provide insights on how the HER2 treatment landscape will evolve in the future

Friday 12th May 2023, 12:30–13:30 CEST | Frankfurt Hall, Hub27, Berlin

Prof. Peter Schmid
Barts Breast Cancer Centre,
