

Clinical Perspectives in mCRPC:

Practical Considerations on Incorporating PARPi plus Next-generation Hormonal Agents into the Clinic

Friday 20 October 2023

18:00–19:30 CEST

Salamanca Auditorium, Hall 3,
IFEMA MADRID, Madrid, Spain

CHAIR
Dr Elena Castro
(Spain)

FACULTY
Professor
Gunhild von
Amsberg
(Germany)

FACULTY
Professor
Fred Saad
(Canada)

FACULTY
Dr Rana McKay
(USA)

CEST

18:00

Welcome and introduction

Dr Elena Castro

18:05

Examining the evidence: PARPi plus NHA combination therapy in mCRPC

Professor Gunhild von Amsberg

18:20

Clinical considerations: case-based scenarios for patient selection and AE management with combination PARPi plus NHAs

Dr Elena Castro | Professor Fred Saad | Panel discussion

19:00

Exploring the patient perspective: practical approaches for shared decision making

Dr Rana McKay | Panel discussion

19:25

Summary and close

Dr Elena Castro
