

ESMO Asia 2023 Industry Satellite Symposium

# Across the HR Spectrum:

Exploring the optimisation and personalisation of HR-positive, HER2-negative mBC care

**Date:**  
Friday 1<sup>st</sup>  
December 2023

**Time:**  
16:00–17:00 SGT

**Location:**  
Hall 404, Level 4, Suntec  
Singapore Convention &  
Exhibition Centre, Singapore

## JOIN OUR EXPERT PANEL OF SPEAKERS AS THEY:

- Review the current treatment landscape and outstanding unmet needs in the HR-positive, HER2-negative/low patient population
- Explore how novel and upcoming therapies could help to address unmet needs in the HR-positive, HER2-negative patient population
- Understand how to harness available biomarkers to encourage optimal therapeutic management
