AstraZeneca satellite symposium at

ESMO Gastrointestinal Cancers Congress 2024 Industry Satellite Symposium

Don't miss the ESMO Gastrointestinal Cancers Congress 2024 Industry Satellite Symposium 'Clinical care in HCC: exploring patient treatment goals and recent therapeutic advances', organised and funded by AstraZeneca.

Please join us for valuable insights from our expert faculty, Dr Maria Reig (Chair, Spain), Dr Lorenza Rimassa (Italy) and Dr Stephen Chan (Hong Kong), on emerging therapeutic approaches in the evolving landscape of HCC, including perspectives on treatment selection, and be prepared to participate in engaging panel and case-study discussions.
