1. SHIPMENTS ORIGINATING FROM OUTSIDE THE EUROPEAN UNION (ie. United States, Canada, Switzerland, etc.)

1.1 Courier shipments

Send via FEDEX , DHL, UPS, TNT (and other courier companies)

Courier companies cannot make customs clearance as they lack an EORI number. Shipment for temporary importation via ATA-Carnet and/or via commercial invoice (goods that will be returned after event) **must** be sent by airfreight (please see column 1.2) as courier companies cannot arrange any temporary customs clearance.

We strongly recommend sending your courier shipments to our warehouse. We cannot guarantee an on-time delivery to the exhibition booth in case your shipment arrives later than **3 September 2024**.

Please deliver all courier shipments to the following address:

We kindly ask you to send us a pre-advice at least one day before departure including a copy of the airwaybill and a copy of the commercial invoice/packing list.

- Separate invoices for temporary importation (exhibits) and permanent importation (consumables, brochures etc.)
- Serial numbers and pictures of every item that needs to be imported temporarily
- If necessary: Certificate of Origin (Form A/EUR.1)
- If necessary: special certificates (health/veterinary)

All exhibits/material entered under temporary importation are subject to control and examination by EU customs for Inward and Outward movements.

Any exhibits remaining in the EU after closure of the Exhibition are subject to duties and/or taxes. Payments must be guaranteed prior to removal of goods from the Exhibition venue.

Any shipments arriving after our deadlines that require customs clearance will be subject to a late arrival surcharge of 25% on our official handling rate.
