

ESMO 2024 Industry Satellite Symposium

How can we PI3K the right treatment for every patient with HR+ breast cancer?

Monday 16 September 2024, 13:00–14:30 CEST

Valencia Auditorium, Hall 5, Fira Barcelona Gran Via, Barcelona, Spain

Please join us for an interesting and interactive discussion to explore how PI3K inhibitors can further personalise and optimise the treatment of patients with HR+ breast cancer.

We look forward to seeing you in Barcelona or via the live stream!
