

## INSTRUCTIONS FOR ORAL ABSTRACT PRESENTERS

### ONSITE ATTENDANCE

As presenting author, **your presence is requested onsite in Paris** and therefore, you are required to register for the Congress, here. The early registration fee will be applied automatically if you register by the late registration deadline (**12 February 2025**). Should you encounter any issues, please contact our *Registration Services Unit* at [registration@esmo.org](mailto:registration@esmo.org).

### PREPARATION OF YOUR PRESENTATION

- Presentation must be prepared in Microsoft-PowerPoint(\*pptx), in **16:9 format, landscape orientation**. Mac KeyNote presentations cannot be accommodated.
- We strongly recommend the use of the [official slide template](#). Should you choose your own, kindly note that Speaker presentations must not include any commercial promotion such as the use of sponsor slide templates, logos, branding or colours, or any identifiable slide templates from other medical conferences.
- You are strongly encouraged to concentrate only on the educational/scientific content of your presentation, and avoid any message, statement or photograph of a political and/or religious nature. Should you include the latter, ESMO reserves the right to exclude your presentation slides/webcast from the post-Congress resources.
- Due to current scrutiny regarding financial transparency, **IT IS STRICTLY MANDATORY that you include a disclosure slide at the start of the presentation**, even if only to confirm that you have no conflicts of interest to declare.
- It is required that your presentation strictly adheres to the given presentation talk time. Please include in your PowerPoint **max 12 slides** (for 10 mins presentation). As a general rule, you should not present more than 1 slide per minute.
- Videos can be linked or embedded. Please remember to upload your video files separately if you are using PowerPoint 2007 or older version, as they cannot be embedded into the presentation.
- Use high-contrast lettering, and not too much text per page (max. 10 lines or 15-20 words). Make sure that you use high-contrast colours for the best definition of your text.
- Visual material supports your lecture and should not be the transcription of it.
- To avoid any compatibility problems, please do not use special characters (i.e., ", Ö, Ø, ñ, ®, ý), {etc) and please do not use spaces to name your presentation or movie files.
- QR (Quick Response), AR (Augmented Reality) and text key codes are allowed. However, although ESMO accepts that these may go to a commercial/branded website, we suggest avoiding links to websites containing blatant product advertising. If you intend adding a QR, AR or a text key code to your PPT, please add the following disclaimer notice: "*Copies of this presentation obtained through QR, AR and/or text key codes are for personal use only and may not be reproduced without written permission of the authors*".

### UPLOAD OF YOUR PRESENTATION

You are kindly requested to send at least a **DRAFT** presentation to [programme@esmo.org](mailto:programme@esmo.org) by **Wednesday, 5 February** in order to allow enough time to the Discussant to prepare himself/herself.

CTI will contact you and provide you with the link to upload your final slides on the presentation management system. Slides can be uploaded to the ESMO TAT 2025 presentation system prior to your departure. In case of any technical problems during the upload, please contact CTI at [tat@support.ctimeetingtech.com](mailto:tat@support.ctimeetingtech.com)

If your session starts early in the morning, please check-in your presentation by 16:00 the preceding day. If for any reason you are unable to meet this schedule, please inform the Secretariat before the Congress at [programme@esmo.org](mailto:programme@esmo.org)

Computers will be available at the Speaker Centre for a final check of your presentation before upload. Once the presentation has been checked, the Congress technical staff will be responsible for delivering it to the auditorium in time for your presentation.
