

INSTRUCTIONS FOR INVITED SPEAKERS AND DISCUSSANTS

REGISTRATION AND ONSITE ATTENDANCE

As Invited Speaker/Discussant, **your presence is required onsite in Vienna**. ESMO will take care of your registration, and you will have to collect your badge at the Invited Speaker Desk onsite.

PREPARATION OF YOUR PRESENTATION

- Your presentation must be prepared in Microsoft-PowerPoint(*pptx), in 16:9 format, landscape orientation. Mac KeyNote presentations cannot be accommodated.
- We strongly recommend the use of the [official slide template](#). Should you choose your own, kindly note that Speaker presentations must not include any commercial promotion such as the use of sponsor slide templates, logos, branding or colours, or any identifiable slide templates from other medical conferences.
- Due to current scrutiny regarding financial transparency, **IT IS STRICTLY MANDATORY that you include a disclosure slide at the start of the presentation**, even if only to confirm that you have no conflicts of interest to declare.
- It is required that your presentation strictly adheres to the given presentation talk time, as stated in the online programme.
- Videos can be linked or embedded. Please remember to upload your video files separately if you are using PowerPoint 2007 or older version, as they cannot be embedded into the presentation.
- Use high-contrast lettering, and not too much text per page (max. 10 lines or 15-20 words). Make sure that you use high-contrast colors for the best definition of your text.
- Visual material supports your lecture and not be the transcription of it.
- To avoid any compatibility problems, please do not use special characters (i.e., ", Ö, Ø, ñ, ®, ý, }, { etc) and please do not use spaces to name your presentation or movie files.
- QR (Quick Response), AR (Augmented Reality) and text key codes are allowed. However, although ESMO accepts that these may go to a commercial/branded website, we suggest avoiding links to websites containing blatant product advertising. If you intend adding a QR, AR or a text key code to your PPT, please add the following disclaimer notice: *"Copies of this presentation obtained through QR, AR and/or text key codes are for personal use only and may not be reproduced without written permission of the authors"*.

UPLOAD OF YOUR PRESENTATION

Pre-Congress upload:

We encourage you to upload on the presentation management system the slides which will accompany your presentation by **Tuesday, 17 June 2025** at the latest. Should you subsequently need to make changes, this will be possible.

In this case, you are requested to check-in your final presentation on your USB-removable drive at the Speaker Centre, located in the Room 2.31, on floor -2 in the Congress venue. If your session starts at 08:30 in the morning, please check-in your presentation by 16:00 the preceding day. If for any reason you are unable to meet this schedule, please inform the [ESMO Scientific Programmes Department](#) before the Congress.

Instructions and link for the upload to the portal will be sent in due course by our technical supplier, *CTI Meeting Technology*.

In case of any technical problems during the upload, please contact gynae@support.ctimeetingtech.ch.

Onsite presentation check:

Should you wish to check the uploaded file onsite, computers will be available at the Speaker Centre. Changes to slides (or replacements) can be implemented onsite **no later than 2 hours before the start of the session**.

- Once the presentation has been checked, the Congress technical staff will be responsible for delivering it to the auditorium in time for your presentation.
- All session rooms are equipped with computers, beamers, microphones, laser pointers and lecterns.
- Presentations cannot be uploaded directly on laptops in the session rooms.

- Personal laptops cannot be used in the session rooms.

PRESENTATION PROPERTY AND DISCLOSURE

All material used in your presentation will remain your property; however, you are required to allow your slides to be included in the ESMO Gynaecological Cancers Congress 2025 virtual platform, in the ESMO and OncologyPRO websites, and in ESMO approved third-party websites* (possibly with ESMO validated translation).

*Your webcast presentation may be made available as part of an educational package of the ESMO Gynaecological Cancers Congress 2025 material sponsored by pharmaceutical companies for their own distribution post-event.
